

PERENNIALS

ACHILLEA

Laura Yarrow — *Achillea millefolium* 'Laura'

PPAF - Bright red flowers with large, pure-white eyes bloom in abundance on strong stems. Re-blooms easily if old flower stems are removed.

Item # 016741	Mature Size: 16" tall x 14" wide	Exposure: Sun	Bloom Color: Red flowers
	Bloom Time: All Summer	Hardiness Zone: 5	Heat Zone: 8

Moonshine Yarrow — *Achillea* x 'Moonshine'

Bright, canary-yellow flower heads on 2' tall stems above silver-gray, fern-like foliage. Easy to grow, it tolerates drought and wind, and attracts butterflies.

Item # 017047	Mature Size: 24" tall x 18" wide	Exposure: Sun	Bloom Color: Yellow flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 9

Paprika Yarrow — *Achillea millefolium* 'Paprika'

Red flowers fade to pink for a range of colors at any time. Flat-topped bloom clusters with fern-like silver-green foliage that attracts butterflies.

Item # 017045	Mature Size: 24" tall x 18" wide	Exposure: Sun	Bloom Color: Red flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 9

Summerwine Yarrow — *Achillea millefolium* 'Summerwine'

Rich burgundy-red bloom that fades to a blush-rose as it matures. Flowers on sturdy stems over lacy green foliage.

Item # 016766	Mature Size: 24" tall x 36" wide	Exposure: Sun	Bloom Color: Burgundy-red flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 9

Terra Cotta Yarrow — *Achillea millefolium* 'Terra Cotta'

Flat-topped flower clusters change color as they age, producing shades of earthy reds and oranges. Attracts butterflies and is a great cut flower.

Item # 016773	Mature Size: 36" tall x 36" wide	Exposure: Sun	Bloom Color: Orange shades
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 9

Terra Cotta Yarrow

AGASTACHE

Blue Fortune Hyssop — *Agastache* x 'Blue Fortune'

A compact form perennial with aromatic foliage, selected for its profuse and long-lasting blue flowers. Attracts hummingbirds and butterflies.

Item # 025304	Mature Size: 20" tall x 20" wide	Exposure: Sun	Bloom Color: Lavender-blue flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 12

ALCHEMILLA

Thriller Lady's Mantle — *Alchemilla mollis* 'Thriller'

Bouquets of rounded, medium green leaves bear sprays of golden flowers in summer. Water beads beautifully on the leaves in tiny bubbles that shimmer.

Item # 038073	Mature Size: 12" tall x 24" wide	Exposure: Sun	Bloom Color: Chartreuse flowers
	Bloom Time: Late Spring	Hardiness Zone: 3	Heat Zone: 8

AMSONIA

Blue Ice Eastern Bluestar — *Amsonia tabernaemontana* 'Blue Ice'

Mounding clumps of dark green foliage bear dark lavender-blue, star-like flowers in early summer. Drought tolerant, once established.

Item # 049105	Mature Size: 15" tall x 24" wide	Exposure: Sun	Bloom Color: Lavender-blue flowers
	Bloom Time: Late Spring-early Summer	Hardiness Zone: 4	Heat Zone: 9

Hubricht's Blue Star — *Amsonia hubrechtii*

Star-like flowers give this perennial its name. The five-petaled flowers have a lily-like appearance. The feathery green summer foliage turns golden in autumn.

Item # 049000	Mature Size: 24-36" tall x 24" wide	Exposure: Sun	Bloom Color: Blue flowers
	Bloom Time: Late Spring-early Summer	Hardiness Zone: 5	Heat Zone: 9

Blue Ice Eastern Bluestar

Honorine Jobert Wind Flower

ANEMONE

Honorine Jobert Wind Flower — *Anemone* x 'Honorine Jobert'

Blooms summer to early fall with sparkling white flowers with green centers and yellow-orange anthers on 4' upright stems.

Item # 050929	Mature Size: 30" tall x 36" wide	Exposure: Part Shade	Bloom Color: White flowers
	Bloom Time: Late Summer into Fall	Hardiness Zone: 4	Heat Zone: 5

Party Dress Wind Flower — *Anemone* x 'Party Dress'

PP #13,844 - Essential for the fall garden, fluffy, double-pink flowers with a green eye will sway in the breeze from late summer and well into October.

Item # 050958	Mature Size: 36" tall x 24" wide	Exposure: Part Shade	Bloom Color: Pink flowers
	Bloom Time: Late Summer	Hardiness Zone: 5	Heat Zone: 8

September Charm Wind Flower — *Anemone* x 'September Charm'

Silvery-pink, cup-shaped flowers with lime-green button centers and golden anthers are borne in late summer-fall. Thrives in partial shade.

Item # 050970	Mature Size: 30" tall x 42" wide	Exposure: Part Shade	Bloom Color: Silvery pink flowers
	Bloom Time: Late Summer into Fall	Hardiness Zone: 4	Heat Zone: 7

Snowdrop Wind Flower — *Anemone sylvestris* 'Snowdrop'

Novalis Plants that Work® - Anemones display fragrant, white, cup-shaped flowers with yellow anthers in their centers and often nod their heads. Spring blooms are often repeated in the fall. They naturalize nicely.

Item # 050001	Mature Size: 10" tall x 18" wide	Exposure: Part Shade	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 9

AQUILEGIA

Origami Blue & White Columbine — *Aquilegia* 'Origami Blue & White'

Novalis Plants that Work® - Upward facing flowers with wedgewood blue star-like outer petals, matching centers with long spurs. Two-tone flowers have a creamy white inner circle of petals.

Item # 052011	Mature Size: 14-16" tall x 12-18" wide	Exposure: Part Shade	Bloom Color: Blue flowers
	Bloom Time: Late Spring	Hardiness Zone: 3	Heat Zone: 9

Origami Rose & White Columbine — *Aquilegia* 'Origami Rose & White'

Novalis Plants that Work® - Upward facing flowers with rosy-pink star-like outer petals, matching centers with long rosy spurs. The two-tone flowers have a creamy white inner circle of petals.

Item # 052062	Mature Size: 14-16" tall x 12-18" wide	Exposure: Part Shade	Bloom Color: Rosy-pink flowers
	Bloom Time: Late Spring	Hardiness Zone: 3	Heat Zone: 9

Spitfire Columbine — *Aquilegia* 'Spitfire'

Small orange flowers with lemon-yellow centers bloom in late spring. A petite variety for a container or front of the border. Will naturalize in a shaded area.

Item # 052070	Mature Size: 12-16" tall x 12-18" wide	Exposure: Part Shade	Bloom Color: Orange / yellow
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 8

Winky Double Red Columbine — *Aquilegia vulgaris* 'Winky Double Red'

Charming, upwardly-facing, double flowers of red and white are produced in abundance over nicely mounded foliage. Grows in sun or shade, but avoid hot sites.

Item # 052086	Mature Size: 18" tall x 15" wide	Exposure: Part Shade	Bloom Color: Red & white flowers
	Bloom Time: Late Spring	Hardiness Zone: 3	Heat Zone: 7

Origami Rose & White Columbine

ARABIS

Deep Rose Rock Cress — *Arabis Little Treasure*™ 'Deep Rose'

Essential in a rock garden, this low-growing perennial creates a groundcover of evergreen leaves and vibrant pink flowers. An easy addition for a sunny, dry location.

Item # 053441	Mature Size: 4-6" tall x 12-16" wide	Exposure: Sun	Bloom Color: Rosy-pink flowers
	Bloom Time: Mid Spring	Hardiness Zone: 3	Heat Zone: 8

ARENARIA

Flurry Sandwort — *Arenaria montana* 'Sapare'

PPAF - Masses of snow-white open flowers with long anthers bloom above bluish-green foliage creating a low-growing groundcover for a sunny location.

Item # 063522	Mature Size: 3-6" tall x 6-10" wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Late Spring	Hardiness Zone: 4	Heat Zone: 9

ARMERIA

Armada™ Rose Sea Thrift — *Armeria maritima* 'Armada Rose'

Petite ball-shaped flowers with bright rose-pink color stand on wirey leafless stems. They are produced freely and are ideal for borders, between pavers and rock gardens.

Item # 067103 Mature Size: 6-8" tall x 8-12" wide Exposure: Sun Bloom Color: Rosy-pink flowers
Bloom Time: Late Spring Hardiness Zone: 3 Heat Zone: 8

ARTEMISIA

Silver King Artemisia — *Artemisia ludoviciana* 'Silver King'

Lance-shaped leaves are silver-white and somewhat hairy. The attractive foliage adds texture and contrast to mixed perennials and containers.

Item # 068071 Mature Size: 2-3' tall x 2-3' wide Exposure: Sun Bloom Color: Grown for its foliage
Bloom Time: Grown for its foliage Hardiness Zone: 4 Heat Zone: 9

Silvermound Artemisia — *Artemisia* x 'Silvermound'

A stunning mound of fine-cut foliage beautiful when used for edging or as a focal point when mixed with perennials. The silver-blue leaves tolerate heat and some drought.

Item # 068060 Mature Size: 10-12" tall x 12-18" wide Exposure: Sun Bloom Color: Grown for its foliage
Bloom Time: No flowers Hardiness Zone: 4 Heat Zone: 8

ARUNCUS

Dwarf Goat's Beard — *Aruncus aethusifolius*

A clump-forming perennial with fern-like, dark green foliage and creamy-white flower spikes that rise 12-inches above the foliage mound. Similar to Astilbe, it thrives in moist, fertile soil.

Item # 069601 Mature Size: 12" tall x 18" wide Exposure: Part Shade Bloom Color: Ivory flowers
Bloom Time: Early Summer Hardiness Zone: 3 Heat Zone: 9

ASCLEPIAS

Gay Butterflies Milkweed — *Asclepias tuberosa* 'Gay Butterflies'

Stunning shades of orange color stand above rich green lance-shaped leaves. Small, curiously shaped blooms that grow in clusters and are irresistible to butterflies and hummingbirds. Great color addition.

Item # 071026 Mature Size: 24" tall x 18" wide Exposure: Sun Bloom Color: Orange flowers
Bloom Time: Early Summer Hardiness Zone: 3 Heat Zone: 9

ASTER

New York Aster — *Aster novi-belgii* 'Alert'

Clusters of rich reddish-purple flowers provide bright color in the landscape from late summer through fall. Pair with ornamental grasses for late season color.

Item # 073004 Mature Size: 12-18" tall x 18" wide Exposure: Sun Bloom Color: Reddish-purple flowers
Bloom Time: Early Fall Hardiness Zone: 3 Heat Zone: 9

Purple Dome Aster — *Aster novae-angliae* 'Purple Dome'

Alias 'New England Aster', it adds late season color in masses of royal purple, daisy-like flowers. A native perennial that butterflies depend on as a nectar source for their southward migration.

Item # 073062 Mature Size: 18-24" tall x 12-18" wide Exposure: Sun Bloom Color: Rich purple flowers
Bloom Time: Late Summer into Fall Hardiness Zone: 4 Heat Zone: 8

Wood's Light Blue Aster — *Aster* x 'Wood's Light Blue'

Single daisy-like flowers with lavender-blue petals and golden centers. Late season color in a compact form that needs no staking. Butterflies love Asters.

Item # 073085 Mature Size: 12-18" tall x 18" wide Exposure: Sun Bloom Color: Shades of blue flowers
Bloom Time: Early Fall Hardiness Zone: 3 Heat Zone: 9

Wood's Pink Aster — *Aster* x 'Wood's Pink'

A persistent bloomer, Wood's Aster is delightful with clear pink petals and golden centers that add late season color. The petite size is ideal for containers or borders. Virtually mildew and rust free. A necessary addition for the fall garden.

Item # 073084 Mature Size: 12-18" tall x 18" wide Exposure: Sun Bloom Color: Bright pink flowers
Bloom Time: Early Fall Hardiness Zone: 3 Heat Zone: 9

Silvermound Artemisia

Purple Dome Aster

Fanal Astilbe

ASTILBE

Deutschland Astilbe — *Astilbe japonica* 'Deutschland'

Tiny white flowers densely packed into arching plumes appear in early summer. Fern-like foliage remains attractive throughout the growing season on this easily-grown plant.

Item # 074114	Mature Size: 12" tall x 21" wide	Exposure: Part Shade	Bloom Color: Plumes of white flowers
	Bloom Time: Early Summer	Hardiness Zone: 4	Heat Zone: 8

Fanal Astilbe — *Astilbe x arendsii* 'Fanal'

Dark red plumes on slender upright stems are displayed above mounds of deeply cut foliage. Popular as a mainstay of shade and woodland gardens.

Item # 074121	Mature Size: 24" tall x 21" wide	Exposure: Part Shade	Bloom Color: Deep red flowers
	Bloom Time: Mid-Summer	Hardiness Zone: 4	Heat Zone: 9

Hennie Graafland Astilbe — *Astilbe simplicifolia* 'Hennie Graafland'

Unique, star-shaped, light pink flowers and finely-cut, dark foliage on compact plants. Good cut flower and performs well in woodlands and shaded landscapes with moist soil.

Item # 074128	Mature Size: 15" tall x 24" wide	Exposure: Part Shade	Bloom Color: Rosy pink flowers
	Bloom Time: Early Summer	Hardiness Zone: 4	Heat Zone: 8

Peach Blossom Astilbe — *Astilbe x rosea* 'Peach Blossom'

Delicately-colored peach flowers in dense clusters are borne over glossy, finely-cut foliage clumps. Blooms early summer, attracting butterflies.

Item # 074159	Mature Size: 22" tall x 18" wide	Exposure: Part Shade	Bloom Color: Peach flowers
	Bloom Time: Early Summer	Hardiness Zone: 4	Heat Zone: 8

Sprite Astilbe — *Astilbe x 'Sprite'*

Blooms of Bressingham® - Abundant sprays of shell-pink flowers top clumps of bronze-green foliage from midsummer to early fall. A compact variety, great for mass plantings or the front of the border.

Item # 074172	Mature Size: 12" tall x 12" wide	Exposure: Part Shade	Bloom Color: Shell-pink flowers
	Bloom Time: Summer to Fall	Hardiness Zone: 4	Heat Zone: 9

Vision in Red Astilbe — *Astilbe chinensis* 'Vision in Red'

PP #11,965 - Clumps of finely-cut bronze-green foliage bear red-purple flowers opening from deep red buds. This midseason bloomer is slightly fragrant. More heat and drought tolerant than other Astilbe.

Item # 074297	Mature Size: 15" tall x 15" wide	Exposure: Part Shade	Bloom Color: Purplish-red flowers
	Bloom Time: Mid-Summer	Hardiness Zone: 4	Heat Zone: 8

Visions in Pink Astilbe — *Astilbe chinensis* 'Visions in Pink'

PP #11,860 - Baby-pink plume-flowers, handsome dark green and stiff stems that always hold the elegant plumes aloft make this perennial the ultimate choice for color in a shaded garden.

Item # 074227	Mature Size: 12-14" tall x 12" wide	Exposure: Part Shade	Bloom Color: Soft pink flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 8

Visions in White Astilbe — *Astilbe chinensis* 'Visions in White'

PP #18,965 - Every garden needs a touch of white to make the colors stand out. Triangular plumes of creamy-white flowers with fern-like foliage add stunning contrast.

Item # 074294	Mature Size: 18-20" tall x 18" wide	Exposure: Part Shade	Bloom Color: Ivory flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 8

Younique Carmine™ Astilbe — *Astilbe* 'Verscarmine'

PP #20,324 - With a high flower scape count and compact foliage, this is extremely eye-catching. Fuchsia-red plumes that are triangular in shape are scented and a natural attraction to butterflies.

Item # 074180	Mature Size: 16-20" tall x 20" wide	Exposure: Part Shade	Bloom Color: Fuchsia-red plumes
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 9

Younique Silvery Pink™ Astilbe — *Astilbe* 'Versilverypink'

PP #20,656 - A low mound of petite foliage is topped with fragrant plumes of baby-pink flowers. Mixes well with hostas for a touch of delicate color in a woodland setting.

Item # 074181	Mature Size: 16-20" tall x 16-20" wide	Exposure: Part Shade	Bloom Color: Baby-pink plumes
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 9

Peach Blossom Astilbe

BAPTISIA

Blue False Indigo — *Baptisia australis*

A beautiful display of dainty blue flowers that is a host plant for many butterflies. Baptisia has a long tap root which helps it tolerate droughts but they do not like to be moved.

Item # 100600	Mature Size: 36-48" tall x 36-48" wide	Exposure: Part Shade	Bloom Color: Blue Flowers
	Bloom Time: Early Summer	Hardiness Zone: 3	Heat Zone: 8

Solar Flare False Indigo — Baptisia 'Solar Flare'

PP #20,408 - Tall spikes of bright yellow flowers that mature to deep orange. Beautiful pea-like blossoms are shades of colors on the same 12-18 inch spike. Beautiful backdrop for shorter perennials or in drifts.

Item # 100570	Mature Size: 30-36" tall x 36" wide	Exposure: Sun	Bloom Color: Yellow / Orange flowers
	Bloom Time: Late Spring	Hardiness Zone: 3	Heat Zone: 9

Starlite False Indigo — Baptisia 'Starlite'

PP #19,971 - Deep violet-lavender buds unfurl to display periwinkle-blue blooms along 24-inch spikes. The flowers stand high above the foliage that are gracefully outward in a vase shaped form.

Item # 100571	Mature Size: 30-36" tall x 36" wide	Exposure: Sun	Bloom Color: Periwinkle-blue flowers
	Bloom Time: Late Spring	Hardiness Zone: 3	Heat Zone: 9

Twilite False Indigo — Baptisia 'Twilite'

PP #19,011 - Upright spikes for deep purples buds open to smoky violet-purple flowers with yellow keels. A true bicolor Baptisia, the color contrast of flowers and blue-green foliage is stunning.

Item # 100574	Mature Size: 30-36" tall x 36" wide	Exposure: Sun	Bloom Color: Periwinkle-blue flowers
	Bloom Time: Late Spring	Hardiness Zone: 3	Heat Zone: 9

BRUNNERA

Emerald Mist Bugloss — Brunnera macrophylla 'Emerald Mist'

PPAF - Heart-shaped deep green leaves are bedazzled with silver splashes. False Forget-me-not like flowers are deep azure. It can be planted along a streambed or in a shady, moist corner.

Item # 111420	Mature Size: 14" tall x 14" wide	Exposure: Shade	Bloom Color: Azure-blue flowers
	Bloom Time: Late Spring	Hardiness Zone: 3	Heat Zone: 8

Looking Glass Bugloss — Brunnera macrophylla 'Looking Glass'

PP #17,829 - Heart-shaped leaves appear to be frosted with a silver coating that will reflect light adding shimmer to a shaded setting. Forget-me-not-like azure flowers stand on petite stems above the magnificent leaves.

Item # 111441	Mature Size: 12" tall x 18" wide	Exposure: Shade	Bloom Color: Azure-blue flowers
	Bloom Time: Spring	Hardiness Zone: 3	Heat Zone: 8

CAMPANULA

Blue Clips Bellflower — Campanula carpatica 'Blue Clips'

Upright, bell-shaped blue flowers appear 12-inches above rosettes of heart-shaped, mid-green leaves. This is excellent used as a groundcover or in the mixed perennial border.

Item # 121005	Mature Size: 6" tall x 12" wide	Exposure: Sun	Bloom Color: Blue flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 7

Cherry Bells Bellflower — Campanula punctata 'Cherry Bells'

Stunning tubular bells are cherry-red tinged with light pink edges and deep red freckles on the throats of the bloom. Loved by gardeners and hummingbirds alike.

Item # 121710	Mature Size: 18" tall x 30" wide	Exposure: Sun	Bloom Color: Cherry-red flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 9

Pantaloons Bellflower — Campanula punctata 'Pantaloons'

Novalis Plants that Work® - PP #13,282 - Displays an abundance of nodding, purple-pink, semi-double flowers above deep green foliage in summer. Ideal for attracting hummingbirds.

Item # 121758	Mature Size: 12" tall x 18" wide	Exposure: Sun	Bloom Color: Purple-pink flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

White Clips Bellflower — Campanula carpatica 'White Clips'

Upright, bell-shaped white flowers appear 12-inches above rosettes of heart-shaped, mid-green leaves. This is excellent used as a groundcover or in the mixed perennial border.

Item # 121084	Mature Size: 6" tall x 12" wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 7

CENTAUREA

Blue Bachelor's Button — Centaurea montana 'Blue'

Fringed cornflower-blue flowers that butterflies flock to in summer and usually again in the fall if they are cut back. Self sows easily if not deadheaded but looks best when allowed to grow in a mass.

Item # 162006	Mature Size: 12-24" tall x 18" wide	Exposure: Sun	Bloom Color: Cornflower blue flowers
	Bloom Time: Early Summer	Hardiness Zone: 3	Heat Zone: 8

Blue Clips Bellflower

Cherry Bells Bellflower

Black Negligee Bugbane

CERATOSTIGMA

Plumbago — *Ceratostigma plumbaginoides*

Starry-blue flowers with the resemblance of woodland phlox rise slightly above the mat-forming foliage that creates a groundcover. The green leaves turn bronze-red in the fall.

Item # 162800	Mature Size: 6-12" tall x spreading"	Exposure: Part Shade	Bloom Color: Periwinkle-blue
	Bloom Time: Mid to Late Summer	Hardiness Zone: 5	Heat Zone: 9

CHRYSANTHEMUM

Crazy Daisy Shasta Daisy — *Chrysanthemum superbum* 'Crazy Daisy'

Novalis Plants that Work® - Displays an abundance of fringed, frilly, semi-double to double white flower with rich yellow centers. Blooms late spring and throughout the summer if deadheaded.

Item # 173711	Mature Size: 2-3' tall x 2' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 9

CIMICIFUGA

Black Negligee Bugbane — *Cimicifuga simplex* 'Black Negligee'

A late season bloomer, it is a good selection for a rich, moist growing site. Foliage is so deep purple, it is near black and fragrant pink-tinged flower spikes in mid fall add last season color.

Item # 175106	Mature Size: 4-5' tall x 2' wide	Exposure: Part Shade	Bloom Color: Pink-tinged flowers
	Bloom Time: Early Fall	Hardiness Zone: 5	Heat Zone: 8

Brunette Bugbane — *Cimicifuga simplex* 'Brunette'

Late season color for a woodland setting with purple-black foliage and arching wands of bottlebrush-like spikes. The fragrant flowers appear in late summer and into early fall. (a.k.a. *Actaea* 'Brunette').

Item # 175108	Mature Size: 4-5' tall x 2' wide	Exposure: Part Shade	Bloom Color: Creamy-white flowers
	Bloom Time: Early Fall	Hardiness Zone: 5	Heat Zone: 8

Moonbeam Tickseed

COREOPSIS

Cosmic Eye Tickseed — *Coreopsis x* 'Cosmic Eye'

Novalis Plants that Work® - PPAF - Part of the Big Bang™ series, bright yellow tips have a wine-colored base and the petals surround the orange button eye. Cutting back faded flowers promotes repeat bloom.

Item # 219010	Mature Size: 12-16" tall x 12-16" wide	Exposure: Sun	Bloom Color: Bicolor flowers
	Bloom Time: Through Summer	Hardiness Zone: 5	Heat Zone: 9

Flying Saucers Tickseed — *Coreopsis grandiflora* 'Walcoreop'

PP #10,299 - Abundant, sunny yellow blooms with frilly petals and darker yellow centers. A great performer with strong flower stems and flowers throughout the summer.

Item # 219022	Mature Size: 12" tall x 12-18" wide	Exposure: Sun	Bloom Color: Yellow flowers
	Bloom Time: Summer to Fall	Hardiness Zone: 4	Heat Zone: 9

Jethro Tull Sunrise Tickseed — *Coreopsis x* 'Jethro Tull'

PP #18,789 - This variety has a low-growing habit with near continuous bloom from mid-spring through late summer. Fluted blooms with pointed tips in rich golden-yellow color that will not fade in bright summer sun.

Item # 219034	Mature Size: 16" tall x 20" wide	Exposure: Sun	Bloom Color: Golden flowers
	Bloom Time: Through Summer	Hardiness Zone: 4	Heat Zone: 9

Moonbeam Tickseed — *Coreopsis verticillata* 'Moonbeam'

Pale-yellow, daisy-like flowers appear in loose clusters summer through fall. Finely dissected fern-like foliage is attractive on its own.

Item # 219046	Mature Size: 18" tall x 18" wide	Exposure: Sun	Bloom Color: Pale-yellow flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 9

Route 66 Tickseed — *Coreopsis x* 'Route 66'

Novalis Plants that Work® - PP #20,609 - Pinwheel like flowers have red centers with rich color that trickles out onto the yellow tips. Each petal has its own pattern with red being the dominant color.

Item # 219063	Mature Size: 24" tall x 24" wide	Exposure: Sun	Bloom Color: Bicolor flowers
	Bloom Time: Through Summer	Hardiness Zone: 5	Heat Zone: 9

Sienna Sunset Tickseed — *Coreopsis* x 'Sienna Sunset'

Novalis Plants that Work® - PP #20,470 - Like a beautiful sunset, the petals have a burnt sienna color that lighten to salmon as they continue to bloom. Their spreading habit creates an attractive border or groundcover.

Item # 219078	Mature Size: 16-20" tall x 36" wide	Exposure: Sun	Bloom Color: Sienna flowers
	Bloom Time: Through Summer	Hardiness Zone: 5	Heat Zone: 9

Sunray Tickseed — *Coreopsis* x 'Sunray'

The double to semi-double petals with ruffled edges are deep yellow in color. Very tolerant of heat, drought and humidity. Flowers attract butterflies.

Item # 219069	Mature Size: 12" tall x 12-18" wide	Exposure: Sun	Bloom Color: Yellow flowers
	Bloom Time: Summer to Fall	Hardiness Zone: 4	Heat Zone: 9

Zagreb Tickseed — *Coreopsis verticillata* 'Zagreb'

Compact plants have golden-yellow flowers over rich green, finely dissected leaves. This prolific bloomer flowers from June through October and loves sun and heat.

Item # 219066	Mature Size: 15" tall x 15" wide	Exposure: Sun	Bloom Color: Yellow daisy-like flowers
	Bloom Time: Through Summer	Hardiness Zone: 4	Heat Zone: 9

CORYDALIS

Berry Exciting Corydalis — *Corydalis* 'Berry Exciting'

PP #18,917 - Stunning golden-green foliage that is deeply lobed is complimented by purple flowers in late spring. The fabulous flowers appear in clusters and are delightfully fragrant.

Item # 227005	Mature Size: 10-13" tall x 18-24" wide	Exposure: Part Shade	Bloom Color: Purple flowers
	Bloom Time: Spring	Hardiness Zone: 5	Heat Zone: 9

Canary Feathers Corydalis — *Corydalis* 'Canary Feathers'

Novalis Plants that Work® - PP #18,909 - Graceful foliage that is bluish-green in color with profuse yellow flowers that stand on 10" spikes from late spring to fall. Attractive along a border or walkway, it is a prolific bloomer.

Item # 227008	Mature Size: 6-10" tall x 8-12" wide	Exposure: Part Shade	Bloom Color: Yellow flowers
	Bloom Time: Spring to Fall	Hardiness Zone: 6	Heat Zone: 9

CROCOSMIA

Bright Eyes Crocosmia — *Crocosmia* 'Walbreyes'

PP #17,165 - The funnel shaped flowers with dark orange centers and light orange tips grow along arching stems in mid to late summer. Corms should be stored like gladioli for Zone 5 or colder.

Item # 247507	Mature Size: 2' tall x 1-2' wide	Exposure: Sun	Bloom Color: Shades of orange flowers
	Bloom Time: Late Summer	Hardiness Zone: 6	Heat Zone: 9

Lucifer Crocosmia — *Crocosmia* 'Lucifer'

Arching spikes of fiery-red color stand 4-feet tall and add sensational color in mid to late summer. Corms should be stored like gladioli for Zone 5 or colder.

Item # 247543	Mature Size: 4' tall x 1-2' wide	Exposure: Sun	Bloom Color: Fiery-red flowers
	Bloom Time: Late Summer	Hardiness Zone: 6	Heat Zone: 9

DELOSPERMA

Hardy Ice Plant — *Delosperma nubigenum*

Novalis Plants that Work® - Mid-green foliage reaches out to form a dense mat. Small yellow daisy-like flowers peek above the fleshy leaves. Tolerant of dry, infertile soil or among rocks.

Item # 263500	Mature Size: 4" tall x 18-24" wide	Exposure: Sun	Bloom Color: Yellow flowers
	Bloom Time: Spring / Summer	Hardiness Zone: 5	Heat Zone: 9

DELPHINIUM

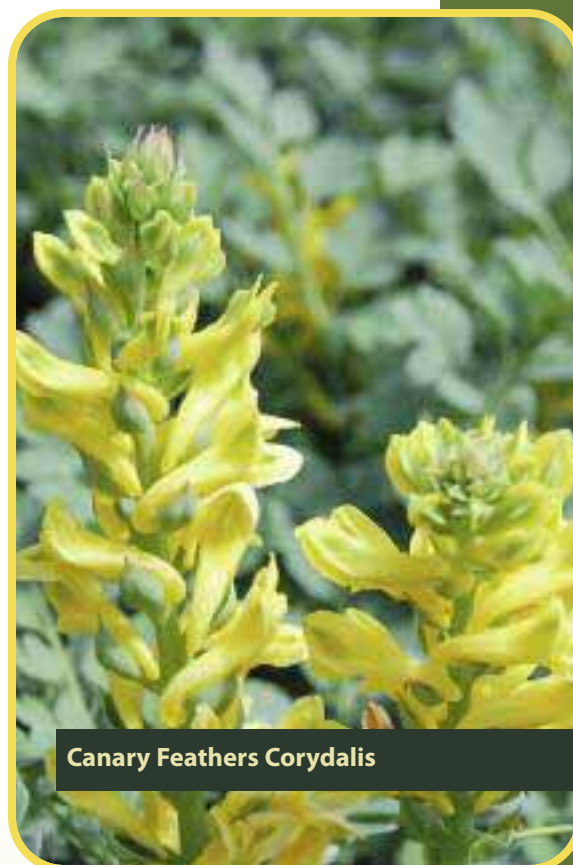

Pagan Purple Delphinium — *Delphinium* x 'Pagan Purple'

Strong stems hold stunning spikes of flowers that are often double and have a deep blue and purple petal combination. A beautiful perennial for floral arrangements.

Item # 264558	Mature Size: 3' tall	Exposure: Sun	Bloom Color: Purple flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 7

Zagreb Tickseed

Canary Feathers Corydalis

Firewitch Dianthus

Royal Aspirations Delphinium — *Delphinium* x 'Royal Aspirations'
Mixed shades of sapphire-blue to deep dark-blue with white centers referred to as a "bee".
Cutting back flower spikes after blooming will encourage another round of flowers in the fall.

Item # 264567	Mature Size: 3' tall	Exposure: Sun	Bloom Color: Blue flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 7

DIANTHUS

Brilliant Star Dianthus — *Dianthus* x 'Brilliant Star'
Novalis Plants that Work® - PP #13,025 - Semi-double white petals with fringed edges and maroon centers are held on stems about three inches above the bluish-green foliage. The clove-scented flowers appear in late spring.

Item # 269807	Mature Size: 7" tall x 7" wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 9

Fire Star Dianthus — *Dianthus* 'Devon Xera'
PP #14,895 - Deep, red semi-double flowers with a deep crimson eye. The flowers stand above mounded foliage that is grayish-green in color. Beautiful along a garden edge where the scent can be enjoyed.

Item # 269819	Mature Size: 8" tall x 12" wide	Exposure: Sun	Bloom Color: Red flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

Firewitch Dianthus — *Dianthus gratianopolitanus* 'Feuerhexe'
This mat-forming plant with icy-blue foliage produces numerous lightly scented, bright magenta flowers atop fine-textured foliage.

Item # 270222	Mature Size: 8" tall x 12" wide	Exposure: Sun	Bloom Color: Magenta-pink flowers
	Bloom Time: Late Spring	Hardiness Zone: 3	Heat Zone: 8

Spangled Star Dianthus — *Dianthus* x 'Spangled Star'
PP #13,029 - Ruffled scarlet-red petals have pinkish-white edges and matching blotches on the petals. The blue-green foliage forms a neat mound. Tolerates southern heat and humidity well.

Item # 269872	Mature Size: 6" tall x 10" wide	Exposure: Sun	Bloom Color: Pink & red flowers
	Bloom Time: Spring	Hardiness Zone: 3	Heat Zone: 8

White Bleeding Heart

DICENTRA

Bleeding Heart — *Dicentra spectabilis*
Forms clumps of fern-like foliage topped by arching stems bearing heart-shaped pink and white flowers in late spring. Thrives in well-aerated, humus-rich soil; avoid hot sun.

Item # 271510	Mature Size: 36" tall x 36" wide	Exposure: Part Shade	Bloom Color: Pink flowers
	Bloom Time: Spring	Hardiness Zone: 3	Heat Zone: 9

Burning Hearts Bleeding Heart — *Dicentra* x 'Burning Hearts'
Novalis Plants that Work® - PP #20,797 - Red flowers with white edges seem to dance on branches that reach above the fern-like blue-gray foliage. A variety that continues to produce heart-shaped flowers well past spring.

Item # 271307	Mature Size: 10-12" tall x 12" wide	Exposure: Part Shade	Bloom Color: Red flowers
	Bloom Time: Spring / Summer	Hardiness Zone: 6	Heat Zone: 8

King of Hearts Bleeding Heart — *Dicentra* x 'King of Hearts'
This hybrid selection displays its rose-pink "bleeding hearts" high above its blue-green, fern-like foliage. Unusual flowers on a handsome plant.

Item # 271338	Mature Size: 24" tall x 24" wide	Exposure: Part Shade	Bloom Color: Rose-pink flowers
	Bloom Time: Spring	Hardiness Zone: 3	Heat Zone: 9

White Bleeding Heart — *Dicentra spectabilis* 'Alba'
This is a popular and long-time favorite of gardeners for the spring-blooming, heart-shaped white flowers. Prefers moist soil.

Item # 271501	Mature Size: 30" tall x 24" wide	Exposure: Part Shade	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 3	Heat Zone: 9

DIGITALIS

Candy Mountain Foxglove — *Digitalis purpurea* 'Candy Mountain'
Upward facing flowers are bright pink with a white lower lip and maroon speckles stand on sturdy stems. Irresistible to hummingbirds, they are dramatic in a floral arrangement.

Item # 273108	Mature Size: 48-60" tall x 18-24" wide	Exposure: Part Shade	Bloom Color: Bright pink flowers
	Bloom Time: Spring to Summer	Hardiness Zone: 4	Heat Zone: 9

Giant Shirley Foxglove — *Digitalis purpurea* 'Giant Shirley'

Twice the size of other Foxgloves, the flower spikes are gigantic. From spring to early summer, it produces a mixture of white, light pink, deep rose, fuchsia and yellow all with dark purple freckles inside each bloom.

Item # 273125 Mature Size: 48-60" tall x 18-24" wide Exposure: Part Shade Bloom Color: Mixed colors
Bloom Time: Spring to Summer Hardiness Zone: 4 Heat Zone: 9

Pam's Choice Foxglove — *Digitalis purpurea* 'Pam's Choice'

Tubular white bells with dense maroon splashes and freckles seem to bloom non-stop. Clustered along tall spikes, they create vertical accent in the landscape. Hummingbirds love Foxgloves.

Item # 273158 Mature Size: 48-60" tall x 18-24" wide Exposure: Part Shade Bloom Color: White flowers
Bloom Time: Spring to Summer Hardiness Zone: 4 Heat Zone: 9

ECHINACEA

Coconut Lime Coneflower — *Echinacea x purpurea* 'Coconut Lime'

Novalis Plants that Work® - PP #18,617 - Descending white petals surround a fuzzy lime-green center cone. Large blooms are held on sturdy stems that mix nicely in floral bouquets. Seeds in the center cone attract songbirds.

Item # 299012 Mature Size: 22-24" tall x 18-24" wide Exposure: Sun Bloom Color: White flowers
Bloom Time: Mid-Summer to Fall Hardiness Zone: 3 Heat Zone: 9

Firebird Coneflower — *Echinacea x 'Firebird'*

Novalis Plants that Work® - PPAF - Fiery-red recurved petals encircle the prominent triangular cone. The cone is deep brown and appears to be burnished in bright sunlight. Attracts butterflies.

Item # 298923 Mature Size: 2-3' tall x 2' wide Exposure: Sun Bloom Color: Scarlet flowers
Bloom Time: Summer Hardiness Zone: 4 Heat Zone: 9

Hot Papaya Coneflower — *Echinacea x 'Hot Papaya'*

Novalis Plants that Work® - PPAF - Flamboyant scarlet-orange pompom-like flowers with flashes of brighter orange petals in the centers and a few streaks of lilac on the inner petals. Fragrant flowers stand on strong purple stems.

Item # 298930 Mature Size: 36" tall x 24" wide Exposure: Sun Bloom Color: Orange flowers
Bloom Time: Summer Hardiness Zone: 4 Heat Zone: 9

Hot Summer Coneflower — *Echinacea x 'Hot Summer'*

Novalis Plants that Work® - PP #20,687 - A kaleidoscope of colors that vary from yellow, orange and red, all mixed together in the same clump. Large 3-inch blooms emerge as yellow and darken to red as they mature.

Item # 298931 Mature Size: 36" tall x 36" wide Exposure: Sun Bloom Color: Colorful Mix
Bloom Time: Summer Hardiness Zone: 4 Heat Zone: 9

Kim's Knee High Coneflower — *Echinacea purpurea* 'Kim's Knee High'

This is a compact selection with pink daisy-like flowers. Has the other coneflower attributes: long-blooming, attracts butterflies, makes a good cut flower, tolerates heat and humidity.

Item # 299039 Mature Size: 18" tall x 18" wide Exposure: Sun Bloom Color: Pink flowers
Bloom Time: Summer Hardiness Zone: 3 Heat Zone: 9

Magnus Coneflower — *Echinacea purpurea* 'Magnus'

Vibrant magenta-rose flowers hold their petals more horizontally and make great cut flowers. Seed heads attract birds. Butterflies and hummingbirds love coneflowers.

Item # 299045 Mature Size: 30" tall x 24" wide Exposure: Sun Bloom Color: Magenta-rose flowers
Bloom Time: Summer Hardiness Zone: 4 Heat Zone: 9

Marmalade Coneflower — *Echinacea x 'Marmalade'*

Novalis Plants that Work® - PPAF - The color range varies from tangerine to golden-orange depending on their environmental conditions. The frilly topped flowers stand on strong stems granting easy access to nectar for butterflies.

Item # 298947 Mature Size: 26-30" tall x 26-30" wide Exposure: Sun Bloom Color: Shades of orange
Bloom Time: Summer Hardiness Zone: 4 Heat Zone: 9

Meringue Coneflower — *Echinacea purpurea* 'Meringue'

Novalis Plants that Work® - PP #20,537 - Flowers begin as flat daisy-like form with creamy-white petals before forming a fluffy center cone. The sturdy stems provide lasting support for cutting and for attracting butterflies.

Item # 299050 Mature Size: 18" tall x 18" wide Exposure: Sun Bloom Color: Creamy-white flowers
Bloom Time: Summer Hardiness Zone: 4 Heat Zone: 9

Milkshake Coneflower — *Echinacea purpurea* 'Milkshake'

Novalis Plants that Work® - PPAF - Double pompom-like white flowers with golden-yellow centers and descending petals that fold back in soft curves. Very floriferous and well-branched with flowers that will last all summer.

Item # 299051 Mature Size: 30-36" tall x 36" wide Exposure: Sun Bloom Color: White flowers
Bloom Time: Summer Hardiness Zone: 5 Heat Zone: 9

Coconut Lime Coneflower

Hot Summer Coneflower

Tiki Torch Coneflower

PowWow White Coneflower — *Echinacea purpurea* 'PowWow White'

Snow-white petals surround the golden cone with a daisy like appearance. In bloom from early summer to fall, left standing, birds seek out the seeds in the cones and butterflies love their nectar.

Item # 299059	Mature Size: 16-24" tall x 18" wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Summer to Fall	Hardiness Zone: 3	Heat Zone: 9

PowWow Wild Berry Coneflower — *Echinacea purpurea* 'PowWow Wild Berry'

The copper colored cone is surrounded by deep rose-purple petals. Its well branched habits allows for more flowers per plant making this a powerhouse of color even without deadheading.

Item # 299060	Mature Size: 18-24" tall x 18-24" wide	Exposure: Sun	Bloom Color: Rose-purple flowers
	Bloom Time: Summer to Fall	Hardiness Zone: 3	Heat Zone: 9

Ruby Star Coneflower — *Echinacea purpurea* 'Rubinstern'

Magenta-red petals are held horizontally from dark bronze-brown central cones. Versatile in the garden, long-blooming, attracts butterflies, and makes excellent cut flowers.

Item # 299068	Mature Size: 36" tall x 15" wide	Exposure: Sun	Bloom Color: Magenta-red flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 9

Tiki Torch Coneflower — *Echinacea x* 'Tiki Torch'

Novalis Plants that Work® - PP #18,839 - Bright orange petals surround the "pop-up" copper cones that provide nourishment for goldfinches. Nicely branched and very sturdy. Deadhead to promote blooms.

Item # 298976	Mature Size: 28" tall x 24" wide	Exposure: Sun	Bloom Color: Orange flowers
	Bloom Time: Summer to Fall	Hardiness Zone: 4	Heat Zone: 9

White Swan Coneflower — *Echinacea purpurea* 'White Swan'

Honey-fragranced, showy, daisy-like white flowers with a high coned center. Attracts birds (for the seed) and butterflies. Use for cut flowers, dried flowers, naturalizing, and borders.

Item # 299084	Mature Size: 36" tall x 18" wide	Exposure: Sun	Bloom Color: White daisy-like flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 9

ERYNGIUM

Sapphire Blue Sea Holly — *Eryngium yuccifolium* 'Sapphire Blue'

Blooms of Bressingham® - PP #11,088 - Striking stalks with flower heads of intense steel-blue color with a lavender tone appear in profusion in summer. It is a coarse, thistle-like, clump-forming, native plant.

Item # 309769	Mature Size: 24" tall x 24" wide	Exposure: Sun	Bloom Color: Steel-blue flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 8

EUPATORIUM

Little Joe Pye Weed — *Eupatorium dubium* 'Little Joe' 

PP #16,122 - This is a dwarf species with huge mauve-pink flower heads on 4' stems in midsummer. Butterflies are drawn to this eastern native and birds use the fluffy seed heads for nesting material.

Item # 315743	Mature Size: 36" tall x 24" wide	Exposure: Sun	Bloom Color: Pink flower clusters
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 8

EUPHORBIA

Ascot Rainbow Spurge — *Euphorbia* 'Ascot Rainbow'

Novalis Plants that Work® - PPAF - A display of colorful bracts that change with the season. In early Spring, the display is cream and lime. In cooler weather, there are additional colors of red, green and orange.

Item # 318103	Mature Size: 20" tall x 20" wide	Exposure: Sun	Bloom Color: Yellow-green flowers
	Bloom Time: Spring	Hardiness Zone: 7	Heat Zone: 9

GAILLARDIA

Commotion™ Frenzy Blanket Flower — *Gaillardia* 'Commotion Frenzy'

Novalis Plants that Work® - PP #19,943 - Maroon at the base, fading to deep red and yellow at the tips. The semi-double appearance is due to petal count and fluted form. Remove spent flowers for continuous bloom.

Item # 363024	Mature Size: 18-24" tall x 24-30" wide	Exposure: Sun	Bloom Color: Red / Yellow flowers
	Bloom Time: Summer to fall	Hardiness Zone: 5	Heat Zone: 12

Little Joe Pye Weed

Fancy Wheeler Blanket Flower — Gaillardia 'Fancy Wheeler'

PPAF - Large daisy-like flowers with bicolor petals. Deep red towards the center, the tips are golden-yellow. Will rebloom if deadheaded. Soil must be well drained.

Item # 363023	Mature Size: 10" tall x 16" wide	Exposure: Sun	Bloom Color: Bicolor flowers
	Bloom Time: Early summer to fall	Hardiness Zone: 3	Heat Zone: 9

Fanfare Blanket Flower — Gaillardia x grandiflora 'Fanfare'

Novalis Plants that Work® - PP #15,892 - Unique blossom shape! Petals are rolled into a slim trumpet-like shape. It features a compact habit, eye-catching colors and prolific flowering all summer.

Item # 363021	Mature Size: 18" tall x 24" wide	Exposure: Sun	Bloom Color: Orange-red flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 12

Jazzy Wheeler Blanket Flower — Gaillardia 'Jazzy Wheeler'

PPAF - Sunbursts of color with dark orange color at the base of the tip and golden-yellow at the outer tip. Long lasting blooms that attract butterflies. Soil must be well drained.

Item # 363035	Mature Size: 10" tall x 16" wide	Exposure: Sun	Bloom Color: Bicolor flowers
	Bloom Time: Early summer to fall	Hardiness Zone: 3	Heat Zone: 9

GALIUM

Sweet Woodruff — Galium odoratum

Novalis Plants that Work® - Vigorous, spreading perennial with whorls of sweet-scented leaves and delicate, white flowers in spring and summer. Excellent groundcover in the shaded border or woodland garden.

Item # 364000	Mature Size: 6" tall x 12" wide	Exposure: Part Shade	Bloom Color: White flowers
	Bloom Time: Late Spring	Hardiness Zone: 4	Heat Zone: 8

GERANIUM

Alpenglow Cranesbill — Geranium sanguineum 'Alpenglow'

Delicate cut green foliage that turns crimson-red in the fall surrounds lavender-pink flowers that form a cup shape. A strong grower with plentiful flowers from early summer to fall.

Item # 372101	Mature Size: 15-18" tall x 18-24" wide	Exposure: Sun	Bloom Color: Pink flowers
	Bloom Time: Early summer	Hardiness Zone: 4	Heat Zone: 9

Ballerina Cranesbill — Geranium cinereum 'Ballerina'

Lilac-pink petals with deep purple veining and dark purple centered flowers bloom over lacy silver-green foliage. Outstanding spilling over a stone wall, in a rock garden or along a border.

Item # 371905	Mature Size: 6-8" tall x 18" wide	Exposure: Sun	Bloom Color: Lilac-pink flowers
	Bloom Time: Through Summer	Hardiness Zone: 4	Heat Zone: 9

Johnson's Blue Cranesbill — Geranium 'Johnson's Blue'

An all-time favorite for gardeners, the periwinkle blue flowers have near-perfect form. An essential space filler in the flowerbed, it displays beautiful color. Shear foliage after flowers fade to produce new growth.

Item # 371935	Mature Size: 15-18" tall x 18-24" wide	Exposure: Sun	Bloom Color: Shades of blue
	Bloom Time: Early summer	Hardiness Zone: 4	Heat Zone: 9

Rozanne Geranium — Geranium x 'Gerwat'

Blooms of Bressingham® - PP #12,175 - A hybrid, clump-forming geranium that typically grows in a mounding form. It is noted for its almost non-stop, purple-violet flowers throughout the growing season.

Item # 371986	Mature Size: 20" tall x 36" wide	Exposure: Part Shade	Bloom Color: Violet-blue flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 9

GEUM

Blazing Sunset Avens — Geum 'Blazing Sunset'

A good filler for the middle of the flowerbed, delightful scarlet red flowers that look like roses are non-stop bloomers. The flowers are backed by fuzzy green leaves that form into an attractive mound.

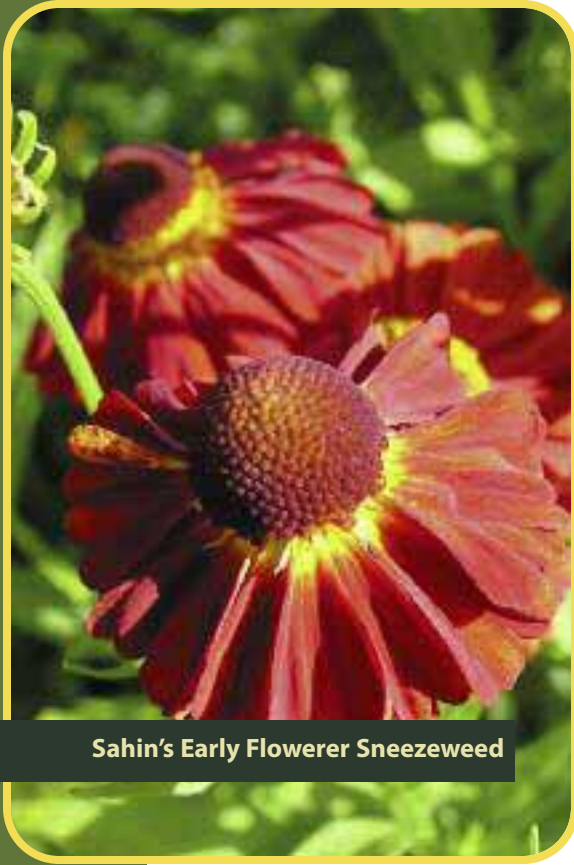

Item # 372004	Mature Size: 24" tall x 24" wide	Exposure: Sun	Bloom Color: Scarlet flowers
	Bloom Time: Spring to Summer	Hardiness Zone: 4	Heat Zone: 9

Fanfare Blanket Flower

Rozanne Geranium

Sahin's Early Flowerer Sneezeweed

Mrs. J. Bradshaw Avens — Geum 'Mrs. J. Bradshaw'

Novalis Plants that Work® - A clump-forming plant with scalloped foliage that naturalizes to form an attractive ground cover when not in bloom. Scarlet-red flowers with yellow centers seem to dance above the foliage.

Item # 372247	Mature Size: 12-18" tall x 12-24" wide	Exposure: Sun	Bloom Color: Scarlet-red flowers
	Bloom Time: Spring / Summer	Hardiness Zone: 5	Heat Zone: 7

HELENIUM

Mardi Gras Sneezeweed — Helenium x 'Mardi Gras'

Deep brown center cones with a stiff skirt of outward petals in array of colors. Patterned petals have a blend of gold, copper and orange. Flowers stand on strong stems throughout the summer.

Item # 423045	Mature Size: 48-60" tall x 18-24" wide	Exposure: Sun	Bloom Color: Shades of gold flowers
	Bloom Time: All Summer	Hardiness Zone: 4	Heat Zone: 9

Red Jewel Sneezeweed — Helenium x 'Red Jewel'

Clusters of dusky-red flowers with a shadow of blue often have yellow tips. A rainbow of color around a large brown pop-up cone in the center. Foliage is bluish-green which accents the blue tone in the petals.

Item # 423067	Mature Size: 36" tall x 18-24" wide	Exposure: Sun	Bloom Color: Dusky-red flowers
	Bloom Time: All Summer	Hardiness Zone: 4	Heat Zone: 9

Sahin's Early Flowerer Sneezeweed — Helenium 'Sahin's Early Flowerer'

Months of fabulous color, the flowers open deep red with a brown and yellow central cone, then develop orange and yellow streaks on the petals. The tall stems make them excellent for back of the border.

Item # 423070	Mature Size: 36" tall x 18-24" wide	Exposure: Sun	Bloom Color: Shades of red flowers
	Bloom Time: All Summer	Hardiness Zone: 4	Heat Zone: 9

HELIOPSIS

Loraine Sunshine Ox-Eye Daisy — Heliopsis 'Loraine Sunshine'

PP #10,690 - White leaves with prominent green veining turns darker green as the season goes on. Bright sunshine yellow, daisy-like flowers bloom in mid-summer and continue on until fall.

Item # 424026	Mature Size: 30" tall x 24" wide	Exposure: Sun	Bloom Color: Golden yellow flowers
	Bloom Time: All Summer	Hardiness Zone: 3	Heat Zone: 9

Summer Nights Ox-Eye Daisy — Heliopsis helianthoides 'Summer Nights'

This clump-forming, upright perennial is covered with bright, golden-yellow, daisy-like flowers with mahogany centers. Tolerates a wide range of soils. Makes great cut flowers.

Item # 424069	Mature Size: 3-4' tall x 3' wide	Exposure: Sun	Bloom Color: Golden yellow flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 9

Summer Sun Ox-Eye Daisy — Heliopsis helianthoides 'Summer Sun'

This clump-forming, upright perennial is covered with bright, golden-yellow semi-double blooms which make great cut flowers. Tolerates a wide range of soils.

Item # 424070	Mature Size: 36" tall x 24" wide	Exposure: Sun	Bloom Color: Yellow daisy-like flowers
	Bloom Time: Mid-Summer	Hardiness Zone: 4	Heat Zone: 9

Summer Nights Ox-Eye Daisy

HELLEBORUS

Cinnamon Snow Hellebore — Helleborus x 'HGC Cinnamon Snow'

PPAF - Light pink buds open to display pale-yellow flowers that mature to a lovely shade of cinnamon. The upward facing flowers have reddish petioles and deep green leaves. Bloom time is generally January-March.

Item # 424710	Mature Size: 12-18" tall x 24" wide	Exposure: Shade	Bloom Color: Pale-yellow flowers
	Bloom Time: Mid to Late Winter	Hardiness Zone: 5	Heat Zone: 8

Green Corsican Hellebore — Helleborus x 'HGC Green Corsican'

PP #15,641 - Creamy-white flowers with just a hint of green on the petals stand on red stems. Prolific blooms between Feb-April. Remove old foliage in spring.

Item # 424727	Mature Size: 12-18" tall x 24" wide	Exposure: Shade	Bloom Color: Creamy-white flowers
	Bloom Time: Mid to Late Winter	Hardiness Zone: 5	Heat Zone: 8

Ivory Prince Hellebore — Helleborus x 'Walhelivor'

PP #16,199 - Glossy green leaves are highlighted with reddish-pink buds that open to reveal outward-facing ivory-white flowers. The petals are streaked with rose, then develop an overlay of chartreuse as they age.

Item # 424733	Mature Size: 12-18" tall x 24" wide	Exposure: Shade	Bloom Color: Ivory flowers
	Bloom Time: Mid to Late Winter	Hardiness Zone: 4	Heat Zone: 8

Pink Frost Hellebore — *Helleborus* x 'HGC Pink Frost'

PPAF - Burgundy buds unfold to display flowers in shades of pink-on-red stems. Rich green foliage has a marbled silver sheen across the leaf. Bloom period is generally around St. Valentine's Day.

Item # 424760	Mature Size: 12-18" tall x 24" wide	Exposure: Shade	Bloom Color: Pink flowers
	Bloom Time: Mid to Late Winter	Hardiness Zone: 5	Heat Zone: 8

Silvermoon Hellebore — *Helleborus* x 'HGC Silvermoon'

PP #15,639 - Large flowers face forward with creamy-white flowers that are tinged pink, before aging to a dusky-rose color. Silvery-green leaves and rosy stems complete the display of color. Bloom time is January-March.

Item # 424770	Mature Size: 12-18" tall x 24" wide	Exposure: Shade	Bloom Color: Creamy-white flowers
	Bloom Time: Mid to Late Winter	Hardiness Zone: 4	Heat Zone: 8

Winter's Song Hellebore — *Helleborus* x 'HGC Winter's Song'

PPAF - With a bloom time from Jan-Mar, this Hellebore will be a welcome sight. It displays large, creamy-white blooms with a dark pink reverse. The silvery green leaves have a lance shape.

Item # 424784	Mature Size: 15-18" tall x 24" wide	Exposure: Shade	Bloom Color: Creamy-white flowers
	Bloom Time: Mid to Late Winter	Hardiness Zone: 4	Heat Zone: 8

HEMEROCALLIS

Custard Candy Daylily — *Hemerocallis* 'Custard Candy'

Creamy yellow petals have a maroon band in the throat of the flower with a green eye and yellow picotee edge. Popular due to its long bloom season, it is very dependable and very durable.

Item # 425237	Mature Size: 24" tall x 18-24" wide	Exposure: Sun	Bloom Color: Yellow / Maroon flowers
	Bloom Time: All Summer	Hardiness Zone: 3	Heat Zone: 9

Daring Deception Daylily — *Hemerocallis* 'Daring Deception'

Dusky-pink petals with a maroon center and matching picotee edge have a ruffled look with overlapping petals. Durable and easy to grow, they attract butterflies and hummingbirds.

Item # 425213	Mature Size: 24" tall x 18-24" wide	Exposure: Sun	Bloom Color: Pink / Maroon flowers
	Bloom Time: All Summer	Hardiness Zone: 3	Heat Zone: 9

Entrapment Daylily — *Hemerocallis* 'Entrapment'

Funnel-shaped flowers have orchid petals with pie-crust edges and yellow throats. Stunning when planted in a mass, they will continue to display color throughout the summer. Remove past blooms.

Item # 425015	Mature Size: 24" tall x 18-24" wide	Exposure: Sun	Bloom Color: Orchid flowers
	Bloom Time: All Summer	Hardiness Zone: 3	Heat Zone: 9

Fooled Me Daylily — *Hemerocallis* 'Fooled Me'

Sunny-yellow flowers with a red eye-zone and ruffled edges that display hints of red. Large flowers that measure 5 to 6 inches wide from early to mid-season.

Item # 425323	Mature Size: 24" tall x 18-24" wide	Exposure: Sun	Bloom Color: Yellow flowers
	Bloom Time: All Summer	Hardiness Zone: 3	Heat Zone: 9

Frans Hals Daylily — *Hemerocallis* x 'Frans Hals'

Bicolored, red and gold blooms held on strong stems. A long bloomer that is slightly fragrant. Grows in clumps of grassy foliage.

Item # 425023	Mature Size: 22" tall x 24" wide	Exposure: Sun	Bloom Color: Red-gold flowers
	Bloom Time: Late Summer	Hardiness Zone: 3	Heat Zone: 12

Happy Returns Daylily — *Hemerocallis* x 'Happy Returns'

Known for its petite size and abundant, ruffled, clear lemon-yellow flowers. If watered and fed, it blooms from early summer until frost.

Item # 425028	Mature Size: 15" tall x 18" wide	Exposure: Sun	Bloom Color: Yellow flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 12

Ice Carnival Daylily — *Hemerocallis* x 'Ice Carnival'

The sweetly scented, creamy-white, lily-like flowers with a yellow-green throat bloom continuously through summer. Plant in an area where you can fully enjoy the fragrance.

Item # 425025	Mature Size: 22" tall x 24" wide	Exposure: Sun	Bloom Color: Creamy-white flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 12

James Marsh Daylily — *Hemerocallis* 'James Marsh'

Cheery red overlapping petals surround a chartreuse throat. New flowers open everyday and spent flowers should be removed on a daily basis. Tolerant of heat and humidity.

Item # 425034	Mature Size: 2-3' tall x 2-3' wide	Exposure: Sun	Bloom Color: Red flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 9

Daring Deception Daylily

Frans Hals Daylily

Mini Pearl Daylily

Jungle Beauty Daylily — *Hemerocallis 'Jungle Beauty'*

A mid-season bloomer, this selection features deep purple-black flowers with a yellow throat. Long blooming and easy care, they are a natural attraction to butterflies.

Item # 425033	Mature Size: 24" tall x 18-24" wide	Exposure: Sun	Bloom Color: Purple-black flowers
	Bloom Time: Mid Summer	Hardiness Zone: 3	Heat Zone: 9

Mini Pearl Daylily — *Hemerocallis x 'Mini Pearl'*

The blush-pink flowers of this prolific bloomer continue through summer. The small size makes it a nice selection for limited spaces.

Item # 425085	Mature Size: 14" tall x 18" wide	Exposure: Sun	Bloom Color: Blush-pink flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 12

Purple D'Oro Daylily — *Hemerocallis 'Purple D'Oro'*

Lavender flowers have chartreuse throats and repeat bloom throughout the summer. Small plants are ideal for the front of the border, in containers or mass plantings.

Item # 425264	Mature Size: 14" tall x 12" wide	Exposure: Sun	Bloom Color: Lavender flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 12

Rosy Returns Daylily — *Hemerocallis 'Rosy Returns'*

PP #9,779 - Rosy-pink petals have a deep pink eyezone and yellow throat. Abundant flowers with 9-12 buds per stem. A butterfly and hummingbird magnet.

Item # 425260	Mature Size: 24" tall x 18-24" wide	Exposure: Sun	Bloom Color: Rosy-pink flowers
	Bloom Time: Mid Summer	Hardiness Zone: 3	Heat Zone: 9

Stella d'Oro Daylily — *Hemerocallis x 'Stella d'Oro'*

Perhaps one of the most popular daylilies, this award-winning selection is noted for the cheerful golden flowers that bloom early and then re-bloom freely into early fall.

Item # 425069	Mature Size: 12" tall x 18" wide	Exposure: Sun	Bloom Color: Gold flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 12

HEUCHERA

Autumn Leaves Foamy Bells — *Heucherella 'Autumn Leaves'*

Novalis Plants that Work® - PPAF - New leaf growth is pink with a silver overlay in the Spring, and then in the Fall, the leaves turn such a deep ruby-red, that they almost appear black.

Item # 427001	Mature Size: 12-15" tall x 18-24" wide	Exposure: Part Shade	Bloom Color: Pinkish-white Flowers
	Bloom Time: Late Spring	Hardiness Zone: 4	Heat Zone: 8

Berry Smoothie Coral Bells — *Heuchera 'Berry Smoothie'*

Novalis Plants that Work® - PPAF - A delicious blend of vibrant rose-pink to violet mounds of foliage. This colorful Heuchera handles summer heat and humidity as well as cold winters.
