

Ed's Blue Wisteria

# WOODY ORNAMENTALS

## ACER

### Paperbark Maple — *Acer griseum*

Beautiful fall colors or red and orange leaves with silver undersides, it is the stunning exfoliating bark that steals the show. Cinnamon to reddish-brown peeling bark on 2-3 year old branches. Plant where the tree is close by so the bark can be seen for year round interest.

Item # 008300	Mature Size: 15-25' tall x 15-25' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 4	Heat Zone: 8

## UPRIGHT

### Bloodgood Japanese Maple — *Acer palmatum* 'Bloodgood'

Dark reddish-purple foliage throughout the summer changes to a full blaze of crimson-orange in the fall. Five lobed leaves on a graceful upright form with interesting blackish red bark.

Item # 010016	Mature Size: 20' tall x 20' wide	Exposure: Part Shade	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 5	Heat Zone: 8

### Emperor I® Japanese Maple — *Acer palmatum* 'Wolff'

Attractive, dark red summer foliage turns brilliant shades of scarlet in fall. Handsome, open-branched form with interesting reddish-black bark. Good lawn or street tree.

Item # 010021	Mature Size: 15' tall x 15' wide	Exposure: Part Shade	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 5	Heat Zone: 8

### Fireglow Japanese Maple — *Acer palmatum* 'Fireglow'

Slow growing, upright habit with fiery-red leaves that retain their color throughout the summer in bright sun and part shade. Lovely scarlet to crimson fall foliage.

Item # 010048	Mature Size: 20' tall x 15' wide	Exposure: Part Shade	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 5	Heat Zone: 8

### Pixie Japanese Maple — *Acer palmatum* 'Pixie'

A dwarf Japanese Maple with deeply-divided red leaves and a smaller growth habit than most Japanese Maples. Spring foliage is pinkish-red which deepens to dark wine-red. Leaves flutter in the breeze and flash bronze-green undersides. A witches'-broom of Acer 'Bloodgood'.

Item # 010160	Mature Size: 5-6' tall x 5-6' wide	Exposure: Part Shade	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 5	Heat Zone: 9

### Shaina Japanese Maple — *Acer palmatum* 'Shaina'

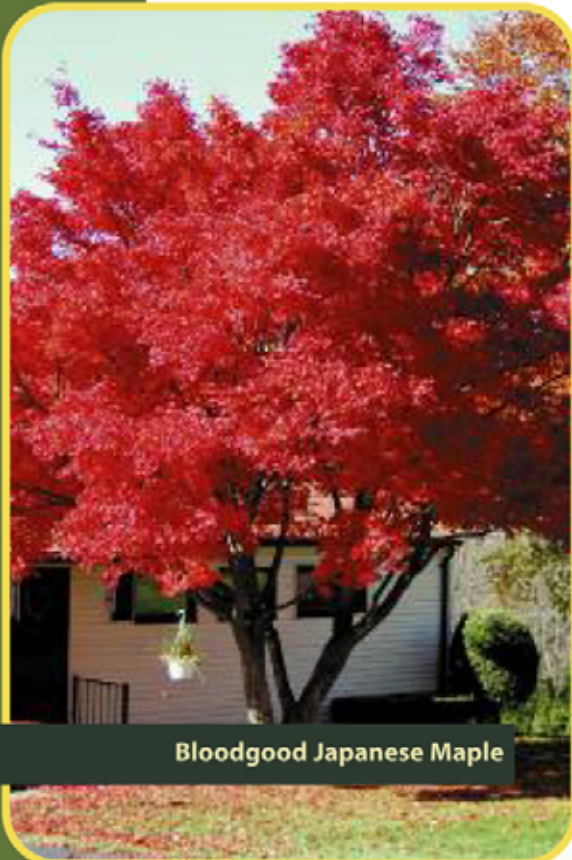

Delicate texture with dark red color all summer that intensifies to crimson in the fall. It's smaller size and rounded crown makes it a spectacular specimen in the landscape.

Item # 010032	Mature Size: 5' tall x 4' wide	Exposure: Part Shade	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 5	Heat Zone: 8

### Shirazz™ Japanese Maple — *Acer palmatum* 'Gwen's Rose Delight'

Novalis Plants that Work® PP #18,728 - A heat resistant selection from New Zealand with finely divided foliage in shades of crimson-pink with white margins. Fall color deepens to rich crimson.

Item # 010174	Mature Size: 15' tall x 10' wide	Exposure: Part Shade	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 5	Heat Zone: 8

Bloodgood Japanese Maple

### **Skeeter's Broom Japanese Maple** — *Acer palmatum* 'Skeeter's Broom'

A dwarf Japanese Maple with deeply divided red leaves and a smaller growth habit than most Japanese Maples. Spring foliage is pinkish-red which deepens to dark wine-red, followed by scarlet-red in the fall. Leaves flutter in the breeze and flash bronze-green undersides.

Item # 010069    Mature Size: 6' tall x 6' wide    Exposure: Part Shade    Bloom Color: Grown for its foliage  
Bloom Time: Colorful Spring-Fall    Hardiness Zone: 5    Heat Zone: 8

### **Suminagashi Japanese Maple (Multi)** — *Acer palmatum* 'Suminagashi'

Layered branches of red foliage develop on this multi-stemmed ornamental tree. They hold their red color throughout the summer and turn crimson in the fall. Ideal in a sheltered location facing South, East or West.

Item # 010187    Mature Size: 15' tall x 15' wide    Exposure: Part Shade    Bloom Color: Colorful foliage  
Bloom Time: No flowers    Hardiness Zone: 5    Heat Zone: 8

### **Trompenburg Japanese Maple** — *Acer palmatum* 'Trompenburg'

Deep purple-red leaves retain their color through summer, then turn red in autumn. Leaf edges roll downward for an unusual effect sometimes referred to as "Dragon's Paw".

Item # 010095    Mature Size: 10' tall x 10' wide    Exposure: Part Shade    Bloom Color: Grown for its foliage  
Bloom Time: No flowers    Hardiness Zone: 5    Heat Zone: 8

## DISSECTUM

### **Crimson Princess Japanese Maple** — *Acer palmatum* 'Crimson Princess'

Cascading branches of lacy dissected foliage that often have a layered appearance. Leaves emerge as red before turning a summer bronze.

Item # 010112    Mature Size: 10' tall x 10' wide    Exposure: Part Shade    Bloom Color: Grown for its foliage  
Bloom Time: No flowers    Hardiness Zone: 5    Heat Zone: 8

### **Crimson Queen Japanese Maple** —

*Acer palmatum* var. *dissectum* 'Crimson Queen'

An enchanting, mound-shaped selection with graceful, cascading branches. Deeply dissected leaves emerge red, turn deep reddish-purple in summer, crimson in fall.

Item # 010033    Mature Size: 12' tall x 18' wide    Exposure: Part Shade    Bloom Color: Grown for its foliage  
Bloom Time: No flowers    Hardiness Zone: 5    Heat Zone: 8

### **Garnet Japanese Maple** — *Acer palmatum* 'Garnet'

Graceful small tree with lacy, deeply cut dark red leaves that retain their color into fall. Very durable and vigorous with a pendulous, spreading growth habit.

Item # 010051    Mature Size: 10' tall x 10' wide    Exposure: Part Shade    Bloom Color: Grown for its foliage  
Bloom Time: Colorful Spring-Fall    Hardiness Zone: 5    Heat Zone: 8

### **Inaba Shidare Japanese Maple** — *Acer palmatum* var. *dissectum* 'Inaba Shidare'

Cascading, but slightly more upright than other dissected leaf-form varieties. Outstanding reddish-purple color which holds well all season. Fall color tends to be a brighter red than other selections.

Item # 010061    Mature Size: 15' tall x 20' wide    Exposure: Part Shade    Bloom Color: Grown for its foliage  
Bloom Time: No flowers    Hardiness Zone: 5    Heat Zone: 8

### **Orangeola Japanese Maple** — *Acer palmatum* var. *dissectum* 'Orangeola'

Finely dissected leaves emerge with an orange tint, turn green in summer, and become bright orange-red in fall. Its weeping habit gives it a graceful look.

Item # 010155    Mature Size: 10' tall x 10' wide    Exposure: Part Shade    Bloom Color: Grown for its foliage  
Bloom Time: No flowers    Hardiness Zone: 5    Heat Zone: 8

### **Red Select Japanese Maple** — *Acer palmatum* var. *dissectum* 'Red Select'

A vigorous, weeping small tree with lacy purple-red foliage throughout the summer. Fall foliage ranges from crimson to yellow and orange.

Item # 010088    Mature Size: 10' tall x 12' wide    Exposure: Part Shade    Bloom Color: Grown for its foliage  
Bloom Time: No flowers    Hardiness Zone: 5    Heat Zone: 8

### **Red Select Japanese Maple (Low Graft)** — *Acer palmatum* 'Red Select'

A vigorous, weeping small tree with lacy purple-red foliage throughout the summer. Fall foliage ranges from crimson to yellow and orange.

Item # 010078    Mature Size: As trained    Exposure: Part Shade    Bloom Color: Grown for its foliage  
Bloom Time: No flowers    Hardiness Zone: 5    Heat Zone: 8

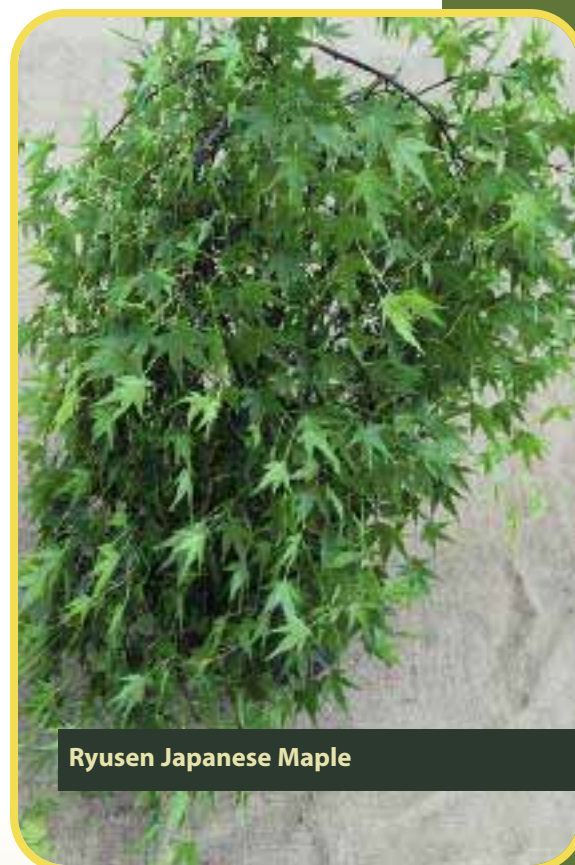

### **Ryusen Japanese Maple** — *Acer palmatum* 'Ryusen'

Novalis Plants that Work® PP #18,501 - A graceful weeping Japanese Maple that creates an exquisite stand-alone specimen. Cascading branches that sweep to the ground bear light-green, palmate summer leaves that change to fall colors ranging from gold to red. Outstanding!

Item # 010168    Mature Size: As Trained    Exposure: Part Shade    Bloom Color: Grown for its foliage  
Bloom Time: No flowers    Hardiness Zone: 5    Heat Zone: 8

**Orangeola Japanese Maple**

**Ryusen Japanese Maple**

**Briotii Red Horse Chestnut**

**Tamukeyama Japanese Maple** — *Acer palmatum* var. *dissectum* 'Tamukeyama'  
Mound-shaped, dwarf tree with waxy, deep red bark and graceful cascading branches. Deeply cut and dissected purple-red foliage throughout the summer changes to bright red in fall.

Item # 010093	Mature Size: 10' tall x 12' wide	Exposure: Part Shade	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 5	Heat Zone: 8

**Viridis Japanese Maple (Low Graft)** — *Acer palmatum* var. *dissectum* 'Viridis'  
Vivid green finely cut leaves change to beautiful shades of gold and crimson in the fall. Small tree with graceful weeping habit and excellent branching architecture.

Item # 010195	Mature Size: As trained	Exposure: Part Shade	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 6	Heat Zone: 8

**Viridis Japanese Maple** — *Acer palmatum* var. *dissectum* 'Viridis'

Vivid green finely cut leaves change to beautiful shades of gold and crimson in the fall. Small tree with graceful weeping habit and excellent branching architecture.

Item # 010094	Mature Size: 8-10' tall x 8' wide	Exposure: Part Shade	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 5	Heat Zone: 8

## AESCULUS

**Briotii Red Horse Chestnut** — *Aesculus x carnea* 'Briotii'

Showy red flowers that bloom in spring, measure 8-10" long. Flowers are followed by glossy brown seeds (chestnuts) also known as conkers. Individual leaves emerge in early spring and form a star pattern. Beautiful shade tree when mature.

Item # 023910	Mature Size: 40' tall x 40' wide	Exposure: Sun	Bloom Color: Red flowers
	Bloom Time: Spring to Summer	Hardiness Zone: 5	Heat Zone: 9

**Fort McNair Horse Chestnut - Aesculus x carnea 'Fort McNair'**

Beautiful pink flowers with yellow throats in late spring. Dark green compound foliage hold on until late fall when reddish-brown nuts appear. Selected from Fort McNair in Washington, D.C.. Prune in Winter.

Item # 023922	Mature Size: 40' tall x 30' wide	Exposure: Sun	Bloom Color: Pink flowers
	Bloom Time: Late Spring	Hardiness Zone: 4	Heat Zone: 9

## ALBIZIA

**Summer Chocolate® Mimosa Tree** — *Albizia julibrissin* 'Summer Chocolate'  
PP #13,822 - Cocoa colored fern-like foliage create a contrasting background to the puff-like flowers. Foliage emerges greenish-yellow before turning deep burgundy-brown as they mature. The leaves close at night and during periods of rain. Also known as Silk Tree.

Item # 037071	Mature Size: 20' tall x 15-20' wide	Exposure: Sun	Bloom Color: Pink/white flowers
	Bloom Time: Summer	Hardiness Zone: 6	Heat Zone: 9

## AMELANCHIER

**Autumn Brilliance Serviceberry (Multi Stem)** —

*Amelanchier x 'Autumn Brilliance'* 

PP #5,717 - Autumn Brilliance lives up to its name with outstanding orange-red fall color. Pink buds open to fragrant nectar-filled flowers that draws pollinators and butterflies. White blooms are followed by small fruit for robins, bluebirds and other birds.

Item # 043501	Mature Size: 20' tall x 20' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 9

**Rainbow Pillar® Serviceberry (Multi Stem)** —

*Amelanchier canadensis 'Glenform'* 

PP #9,092 - A spectrum of color from Spring to Fall. In the Spring, butterflies are drawn to the plethora of white blooms that are filled with nectar. The flowers are replaced by deep-purple fruits that attract birds and other wildlife. In the Fall, the green leaves transform to brilliant shades from yellow to red.

Item # 043065	Mature Size: 10-20' tall x 10-20' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 9

**Autumn Brilliance Serviceberry**

# ARONIA

## Autumn Magic Black Chokeberry — *Aronia melanocarpa* 'Autumn Magic' 🌿

Masses of fragrant white flowers are followed by clusters of glossy purple-black fruit that persist into winter. Lustrous green foliage turns vibrant red to dusky purple in fall. Useful for bank stabilization and erosion control.

Item # 054002	Mature Size: 3-5' tall x 4-6' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 9

# AZALEA

## Compact Korean Azalea — *Azalea poukhanensis* 'Compacta'

Hardy evergreen shrub valued for its abundant, lavender flowers in early spring. Handsome, deep green foliage is held on dense branches.

Item # 099763	Mature Size: 3' tall x 4-5' wide	Exposure: Part Shade	Bloom Color: Lavender flowers
	Bloom Time: Early Spring	Hardiness Zone: 5	Heat Zone: 9

## Karen Evergreen Azalea — *Azalea* 'Karen'

Spectacular color from masses of bright purple flowers in mid to late spring. A very hardy, vase-shaped evergreen shrub; semi-evergreen in colder climates.

Item # 099744	Mature Size: 4' tall x 4' wide	Exposure: Part Shade	Bloom Color: Purple flowers
	Bloom Time: Spring	Hardiness Zone: 3	Heat Zone: 9

## Kimberly's Double Pink Evergreen Azalea —

*Azalea* 'Kimberly's Double Pink'

Flowers that measure 2" are a clear double pink. Foliage is dark green in summer turning orange to purple-red in fall. It is cold hardy and will retain most of its semi-evergreen leaves over the winter.

Item # 099641	Mature Size: 4' tall x 4-5' wide	Exposure: Part Shade	Bloom Color: Pink flowers
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 8

## Sweet Sixteen Evergreen Azalea — *Azalea* x 'Sweet Sixteen'

PP #1,2847 - The lovely blooms are double hose-in-hose with soft-pink petals. A sturdy variety that holds up well in inclement weather with deep green foliage that is retained throughout the year. Stunning when planted in groups or as a border shrub.

Item # 099687	Mature Size: 4' tall x 4' wide	Exposure: Part Shade	Bloom Color: Pink flowers
	Bloom Time: Spring	Hardiness Zone: 5	Heat Zone: 9

# BERBERIS

## Bonanza Gold™ Barberry — *Berberis thunbergii* 'Bogozam'

PP #8,215 - Dense, dwarf habit with bright golden foliage. More compact habit than 'Crimson Pygmy'. Great contrast to burgundy cultivars. Resists sunscald.

Item # 103907	Mature Size: 2' tall x 2' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 4	Heat Zone: 8

## Concorde Barberry — *Berberis thunbergii* 'Concorde'

Dense mounds of deep velvet-purple foliage turn brilliant red in fall. A slow growing deciduous shrub with thorny branches. Small yellow flowers in spring; red berries in fall.

Item # 103917	Mature Size: 2' tall x 3' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 4	Heat Zone: 8

## Crimson Pygmy Barberry — *Berberis thunbergii* atropurpurea 'Crimson Pygmy'

Compact, slow growing, mound-shaped shrub with deep crimson-red foliage in summer, scarlet in fall. Small yellow flowers in spring; red berries in fall. Plant in sun for best color.

Item # 103911	Mature Size: 2' tall x 3' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 4	Heat Zone: 8

## Midnight Ruby™ Barberry — *Berberis thunbergii* 'Miruzam'

Novalis Plants that Work® - Deep, dark burgundy color on large leaves displaying a vivid addition to the landscape. Outstanding when planted en mass or mixed with other barberry colors. No flowers and no seeds. It is a low maintenance shrub that maintains its shape.

Item # 103946	Mature Size: 16-18" tall x 18" wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No Flower or Seed	Hardiness Zone: 4	Heat Zone: 8

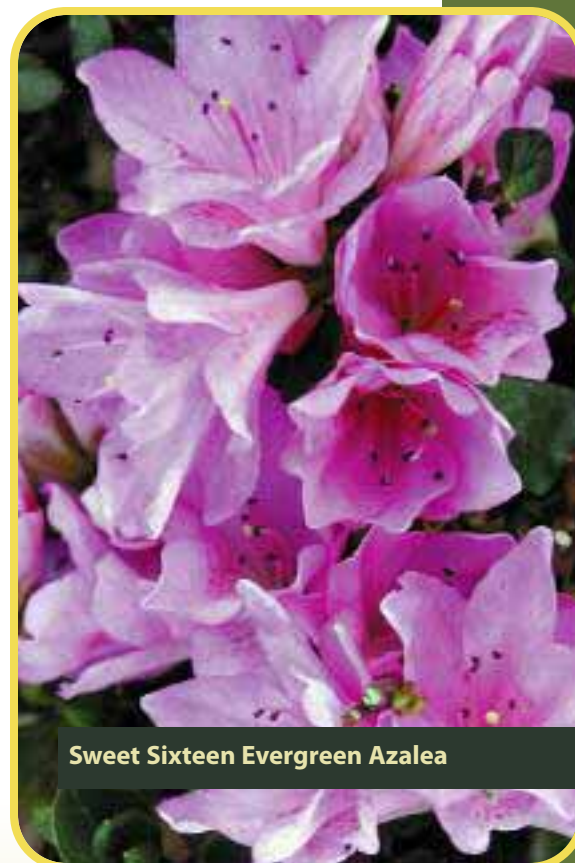

## Orange Rocket Barberry — *Berberis thunbergii* 'Orange Rocket'

PP #18,411 - Vibrant coral-orange color when foliage emerges that ages to green. Best color when planted in full sun, it is an attractive foliage selection for a border plant or hedge. No flowers have been observed so the foliage is the show-stopper.

Item # 103955	Mature Size: 4' tall x 1-2' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 5	Heat Zone: 8

Compact Korean Azalea

Sweet Sixteen Evergreen Azalea

Royal Frost® Birch

Attraction Butterfly Bush

**Rose Glow Barberry** — *Berberis thunbergii atropurpurea* 'Rose Glow'  
 Bold, pink variegated new growth matures to deep rose-red mottled with pink. A dense, deciduous shrub with tiny yellow spring flowers; red berries in fall. Best foliage color in full sun.

Item # 103975	Mature Size: 5' tall x 5' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 4	Heat Zone: 8

## BETULA

**Heritage® River Birch Clump** — *Betula nigra* 'Cully'  
 PP #4,409 - The most prominent of all the River Birch. Faster growing with larger, glossier leaves and reddish to salmon-brown shredding bark. Small birds love the seed and trees provide shelter and nesting sites.

Item # 105455	Mature Size: 45' tall x 30' wide	Exposure: Sun	Bloom Color: Velvety catkins
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 9

**Royal Frost® Birch** — *Betula x Royal Frost*  
 Deep burgundy red foliage holds its color through summer, then turns yellow-orange to orange-red in fall. Its white bark is a great contrast to the foliage.

Item # 104367	Mature Size: 35' tall x 18' wide	Exposure: Sun	Bloom Color: Velvety catkins
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 9

**Shiloh Splash River Birch** — *Betula nigra* 'Shiloh Splash'  
 PP #16,362 - A native tree with foliage that has a creamy-white margin and green centers. Lovely white bark exfoliates to display a brown under layer. It provides cover and nest sites for birds and larval food for butterflies.

Item # 105470	Mature Size: 30' tall x 15' wide	Exposure: Sun	Bloom Color: Catkins
	Bloom Time: Spring	Hardiness Zone: 3	Heat Zone: 7

**Summer Cascade River Birch** — *Betula nigra* 'Summer Cascade'  
 PP #15,105 - Weeping branches develop at an early age and cascade downward around exfoliating bark. It provides cover and nest sites for birds and larval food for butterflies.

Item # 105469	Mature Size: 20' tall x 15' wide	Exposure: Sun	Bloom Color: Catkins
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 7

**Weeping Contorted Birch** — *Betula pendula* 'Youngii'  
 Striking small tree with a white trunk and uniquely twisted, weeping branches. Thrives in moist soils. Interesting specimen or accent in the landscape and is seashore tolerant.

Item # 106085	Mature Size: 15' tall x 15' wide	Exposure: Sun	Bloom Color: Green catkins
	Bloom Time: Spring	Hardiness Zone: 3	Heat Zone: 7

## BUDDLEIA

**African Queen Butterfly Bush** — *Buddleia davidii* 'African Queen'  
 Abundant, long clusters of fragrant, rosy-purple flowers that attract butterflies & hummingbirds throughout the summer. Removing spent flower spikes during the summer will encourage additional bloom.

Item # 113003	Mature Size: 5-6' tall x 5-6' wide	Exposure: Sun	Bloom Color: Rosy-purple flowers
	Bloom Time: Summer	Hardiness Zone: 6	Heat Zone: 9

**Attraction Butterfly Bush** — *Buddleia davidii* 'Attraction'  
 Profuse, deep purple buds open to large, lightly fragrant, magenta-red flower spikes. A vigorous, bushy, upright shrub with dark green foliage. Attracts hummingbirds and butterflies.

Item # 113001	Mature Size: 6' tall x 6' wide	Exposure: Sun	Bloom Color: Magenta-red flowers
	Bloom Time: Summer	Hardiness Zone: 6	Heat Zone: 9

**Black Knight Butterfly Bush** — *Buddleia davidii* 'Black Knight'  
 An old favorite with long clusters of the darkest of dark purple flowers. A large, vigorous shrub with narrow, dark green leaves on tall stems. A hummingbird and butterfly magnet.

Item # 113103	Mature Size: 5' tall x 6' wide	Exposure: Sun	Bloom Color: Dark purple flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

**Blue Chip Butterfly Bush** — *Buddleia davidii* 'Blue Chip'  
 Proven Winners® Color Choice® PP #19,991 - Fragrant flowers attract butterflies throughout the summer. Enjoy continuous bloom on this miniature bush that can be used for a ground cover or in a container and does not require deadheading. A selection from the Lo & Behold™ series.

Item # 113007	Mature Size: 20-36" tall x 30" wide	Exposure: Sun	Bloom Color: Purplish-blue flowers
	Bloom Time: Summer to fall	Hardiness Zone: 5	Heat Zone: 9

### Blue Heaven Butterfly Bush — *Buddleia x 'Podaras #8'*

PPAF - Part of the Flutterby Petite™ Series, beautiful blue blooms are accented by silver, fuzzy leaves. A compact grower that forms a spreading groundcover with continuous bloom from Summer until frost.

Item # 113161	Mature Size: 1-2' tall x 1-2' wide	Exposure: Sun	Bloom Color: Purple-blue flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

### Nanho Blue Butterfly Bush — *Buddleia davidii 'Nanho Blue'*

Deep blue flower spikes are produced in an abundance and last from mid-summer to fall. Lightly scented, butterflies worship *Buddleia*. The shrub dies down to the ground in cooler zones and sends up new shoots in late spring. Deadheading will keep them blooming.

Item # 113050	Mature Size: 3-5' tall x 3-5' wide	Exposure: Sun	Bloom Color: Deep blue flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

### Nanho Purple Butterfly Bush — *Buddleia davidii 'Nanho Purple'*

Copious amounts of long trusses of fragrant lavender-purple flowers throughout the summer into fall. Irresistible to butterflies and hummingbirds. Faded flowers should be removed for constant blooming and in northern areas, it should be trimmed back to 6-10" in late winter.

Item # 113051	Mature Size: 3-5' tall x 3-5' wide	Exposure: Sun	Bloom Color: Lavender-purple flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

### Pink Delight Butterfly Bush — *Buddleia davidii 'Pink Delight'*

Large, dense, conical clusters of fragrant, bright pink flowers throughout the summer. A compact, bushy shrub with dark green leaves. Attracts hummingbirds and butterflies.

Item # 113159	Mature Size: 6' tall x 5' wide	Exposure: Sun	Bloom Color: Pink flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

### Royal Red Butterfly Bush — *Buddleia davidii 'Royal Red'*

Upright shrub with long, conical spikes of fragrant purple-red flowers through the summer. Never fails to attract hummingbirds and butterflies.

Item # 113165	Mature Size: 10' tall x 8' wide	Exposure: Sun	Bloom Color: Red flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

### Snow White Butterfly Bush — *Buddleia x 'Podaras #15'*

PPAF - Part of the Flutterby Petite™ Series, sparkling white blooms cover this spreading shrub that forms a groundcover. Its petite size will tuck into a small area and creates a beautiful foreground for taller flowering shrubs.

Item # 113162	Mature Size: 1-2' tall x 1-2' wide	Exposure: Sun	Bloom Color: White Flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

### White Ball Butterfly Bush — *Buddleia davidii 'White Ball'*

A unique, dwarf selection that forms a compact globe of gray-green foliage adorned with small white flower spikes throughout the summer. Ideal for borders or small gardens!

Item # 113187	Mature Size: 3' tall x 3' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

## BUXUS

### Chicagoland Green® Boxwood — *Buxus x 'Glencoe'*

A compact, mound-shaped evergreen shrub with medium green foliage. Excellent winter hardy selection that retains its color year-round. Requires no pruning to form an attractive hedge.

Item # 114911	Mature Size: 3' tall x 5' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 4	Heat Zone: 9

### Faulkner Boxwood — *Buxus microphylla 'Faulkner'*

Densely branched, upright evergreen shrub with attractive, tightly packed, glossy emerald green foliage. Slow growing; left untrimmed, it forms an attractive formal hedge.

Item # 115323	Mature Size: 4' tall x 4' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 5	Heat Zone: 9

### Graham Blandy Boxwood — *Buxus sempervirens 'Graham Blandy'*

The refined texture of boxwood defines a garden's outline and provides summer and winter interest. A tall narrow habit creates a frame for a landscape entry or when planted in mass, forms an outstanding border.

Item # 115827	Mature Size: 10' tall x 2' wide	Exposure: Sun	Bloom Color: Yellow Flowers
	Bloom Time: Grown for its foliage	Hardiness Zone: 5	Heat Zone: 9

### Green Beauty Boxwood — *Buxus microphylla japonica 'Green Beauty'*

Upright, dense branching habit. Leathery, dark green, round-tipped leaves hold color in coldest winter or hot summer temperatures. Fine border or trimmed specimen.

Item # 115385	Mature Size: 4' tall x 6' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 5	Heat Zone: 9

Pink Delight Butterfly Bush

Royal Red Butterfly Bush

Green Velvet Boxwood

**Green Mountain Boxwood** — *Buxus sempervirens* 'Green Mountain'

Oval shaped green leaves create year-round interest as a hedge or shaped into a topiary.

Item # 115823	Mature Size: 3-5' tall x 3' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 4	Heat Zone: 9

**Green Velvet Boxwood** — *Buxus* x 'Green Velvet'

Exceptional, cold hardy plant with dark green, narrow leaves that develop a bronze hue in late winter. It's rounded shape is commonly used as a hedge or a foundation plant.

Item # 115325	Mature Size: 3' tall x 3' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 5	Heat Zone: 9

**True Dwarf Boxwood** — *Buxus sempervirens* 'Suffruticosa'

Also known as English Boxwood, this variety has fine textured, lustrous green leaves. The foliage often takes on a bronze-green cast late in the season creating winter interest. A slow grower that develops a rounded habit.

Item # 115871	Mature Size: 2-3' tall x 2-4' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 5	Heat Zone: 8

**Wintergreen Boxwood** — *Buxus microphylla* 'Wintergreen'

A dense, rounded evergreen shrub with dark green leaves that hold their color year-round. Small, fragrant, greenish-yellow flowers in spring. Tolerates more sun than other varieties.

Item # 115389	Mature Size: 3' tall x 3' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 5	Heat Zone: 9

Wintergreen Boxwood

## CARAGANA

**Weeping Siberian Peashrub** — *Caragana arborescens* 'Pendula'

Small yellow, pea-like flowers can be either single or in small groups. Pinnately compound leaves form a background for the flowers are held on stems that are dark, glossy green.

Item # 124060	Mature Size: 10-15' tall x 4-5' wide	Exposure: Sun	Bloom Color: Yellow flowers
	Bloom Time: Spring	Hardiness Zone: 3	Heat Zone: 7

## CARPINUS

**European Hornbeam** — *Carpinus betulus* 'Fastigiata'

A large shade tree with a tear drop shape when mature. Bright green crinkled leaves turn yellow-orange in the fall. Yellowish-green catkins appear in spring prior to the leaves and are followed by small nuts. Trunks have smooth gray bark and distinctive muscle-like fluting

Item # 129021	Mature Size: 40-50' tall x 20-30' wide	Exposure: Sun	Bloom Color: Catkins
	Bloom Time: Grown for its foliage	Hardiness Zone: 4	Heat Zone: 8

**Franz Fontaine European Hornbeam** — *Carpinus betulus* 'Franz Fontaine'

A tall, straight, narrow shade tree that develops a nice vertical accent. It has bright green foliage that turns golden in the fall. A beautiful specimen tree that is a great selection for a narrow planting strip, a property border or used as a windbreak. The attractive gray bark has a fluted look.

Item # 129023	Mature Size: 35' tall x 18' wide	Exposure: Sun	Bloom Color: Catkins
	Bloom Time: Grown for its foliage	Hardiness Zone: 4	Heat Zone: 8

## CERCIDIPHYLLUM

**Morioka Weeping Katsura** — *Cercidiphyllum japonicum* 'Morioka'

A gracious tree with heart-shaped leaves along sweeping branches. The summer bluish-green foliage turns copper in the fall. The fluttering foliage provides dappled shade. Underplant with Hostas & Ferns for a mixed textures appearance.

Item # 164049	Mature Size: 25-35' tall x 20-30' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 4	Heat Zone: 8

## CERCIS

**Eastern Redbud** — *Cercis canadensis* 

Small rounded tree with heart-shaped leaves. Red-purple buds open to clusters of stunning pink flowers along bare branches in early spring. Nectar from the early spring flowers draw butterflies and pollinating bees. Seedpods that follow flowers provide food for birds.

Item # 163064	Mature Size: 30' tall x 35' wide	Exposure: Sun	Bloom Color: Pink flowers
	Bloom Time: Early Spring	Hardiness Zone: 4	Heat Zone: 9

### Forest Pansy Redbud — *Cercis canadensis* 'Forest Pansy'

Ornamental tree with pink blooms on bare branches in early spring. Nectar from the flowers draw butterflies and pollinating bees. Heart-shaped leaves emerge reddish-purple fading to purple-green in summer. Fall color is shades of orange, red and purple.

Item # 163075	Mature Size: 25' tall x 25' wide	Exposure: Sun	Bloom Color: Pink flowers
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 9

### Lavender Twist Redbud — *Cercis canadensis* 'Covey'

PP #10,328 - Weeping, contorted limbs form an umbrella shape that are covered in pinkish-purple flowers in early spring. Heart-shaped leaves follow the blooms and often turn a colorful yellow in fall.

Item # 163052	Mature Size: 8' tall x 8' wide	Exposure: Sun	Bloom Color: Pink flowers
	Bloom Time: Early Spring	Hardiness Zone: 4	Heat Zone: 9

## CHAENOMELES

### Orange Storm Quince — *Chaenomeles Double Take*™ 'Orange Storm'

Proven Winners® Color Choice® PPAF - Vibrant orange flowers that are Camellia-like add bright color to the landscape. The color is a show-stopper and this improved variety has neither thorns or fruit. Flowers are beautiful in bouquets.

Item # 168655	Mature Size: 3-4' tall x 4-5' wide	Exposure: Sun	Bloom Color: Orange flowers
	Bloom Time: Early Spring	Hardiness Zone: 5	Heat Zone: 8

### Pink Storm Quince — *Chaenomeles Double Take*™ 'Pink Storm'

Proven Winners® Color Choice® PPAF - Early spring pink flowers that look like a Camellia. An old-time favorite with a new twist - no thorns and no fruit. The large double flowers are beautiful in bouquets. May be pruned to shape after flowering but little if any is required.

Item # 168660	Mature Size: 3-4' tall x 4-5' wide	Exposure: Sun	Bloom Color: Pink flowers
	Bloom Time: Early Spring	Hardiness Zone: 5	Heat Zone: 8

### Texas Scarlet Quince — *Chaenomeles speciosa* 'Texas Scarlet'

Fiery, scarlet-red blooms in early spring followed by greenish-yellow fruit. A low, spreading shrub with glossy green leaves appearing after flowers. Fruit often used in jelly or preserves.

Item # 169073	Mature Size: 3' tall x 5' wide	Exposure: Sun	Bloom Color: Red flowers
	Bloom Time: Early Spring	Hardiness Zone: 5	Heat Zone: 9

### Toyo-Nishiki Quince — *Chaenomeles speciosa* 'Toyo—Nishiki'

Spectacular, early spring color from a blend of pink, red and white flowers followed by greenish-yellow fruit. Upright shrub with glossy green leaves after flowers. Fruit attracts birds.

Item # 169074	Mature Size: 4' tall x 6' wide	Exposure: Sun	Bloom Color: Red, pink & white
	Bloom Time: Early Spring	Hardiness Zone: 5	Heat Zone: 9

## CHAMAECYPARIS

### Crippsii Golden Hinoki Cypress — *Chamaecyparis obtusa* 'Crippsii'

Slow growing, broadly pyramidal evergreen with fern-like sprays of brilliant golden foliage that curve downward at the tips. Contrasts well with darker-leaved evergreens. Beautiful accent or focal point.

Item # 171519	Mature Size: 25' tall x 15' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 5	Heat Zone: 8

### Filicoides Fernspray Cypress — *Chamaecyparis obtusa* 'Filicoides'

Outstanding sculptural evergreen shrub or small tree with an open irregular habit. Deep green fern-like foliage on gracefully curved, pendulous branches. Ideal for oriental gardens.

Item # 171522	Mature Size: 8-10' tall x 4' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 4	Heat Zone: 8

### Gold Mop Cypress — *Chamaecyparis pisifera* 'Gold Mop'

Bright golden thread-like foliage adorn the branches of this evergreen. Somewhat drought tolerant, irrigation must be provided during very hot summers. Attractive when planted in the foreground of deep green evergreens or with flowering shrubs.

Item # 172045	Mature Size: 6' tall x 8' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 5	Heat Zone: 8

### Gold Thread Cypress — *Chamaecyparis pisifera* 'Filifera Aurea'

Grown for its feathery, golden-green, thread-like foliage on graceful, pendulous branches. Slow growing, broadly conical, evergreen shrub with peeling reddish bark on mature branches.

Item # 172022	Mature Size: 8' tall x 6' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 3	Heat Zone: 8

Lavender Twist Redbud

Crippsii Golden Hinoki Cypress

Weeping Alaska Cypress

Ruby Spice Summersweet

**Gracilis Hinoki Cypress** — *Chamaecyparis obtusa* 'Gracilis'

Narrowly pyramidal shrub with open branching and branch tips that arch gracefully. Deep green needles are arranged in flattened sprays. Gains bronzy tones in winter.

Item # 171500	Mature Size: 10' tall x 4' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 5	Heat Zone: 8

**Heatherbun Cypress** — *Chamaecyparis thyoides* 'Heatherbun'

This native evergreen grows dense, upright, and rounded, with blue-green needles that turn a plum color in winter. Use for foundations, specimens or containers.

Item # 172328	Mature Size: 10' tall x 6' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 4	Heat Zone: 8

**Ivonne False Cypress** — *Chamaecyparis lawsoniana* 'Ivonne'

A slow growing, conical evergreen shrub with flattened sprays of soft, golden-yellow foliage that add color and texture to the landscape. Makes a lovely accent plant or focal point.

Item # 170731	Mature Size: 15' tall x 8' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 5	Heat Zone: 8

**Soft Serve™ Cypress** — *Chamaecyparis pisifera* 'Dow Whiting'

Proven Winners® Color Choice® PPAF - Graceful and soft in texture, the foliage is bright green on the topside with silver-blue on the underside. Compact in form, it requires minimal if any pruning.

Item # 172068	Mature Size: 6-10' tall x 6-10' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 5	Heat Zone: 8

**Top Point Cypress** — *Chamaecyparis thyoides* 'Top Point'

Conical in form with unique texture and small stature. A slow grower that tolerates moist soil.

Item # 172374	Mature Size: 8' tall x 4' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 5	Heat Zone: 8

**Twisted Hinoki Cypress** — *Chamaecyparis obtusa* 'Torulosa'

Dark green foliage is held on contorted, twisted branches with reddish-brown bark. Very interesting shrub that requires minimal if any maintenance. Slow grower.

Item # 171581	Mature Size: 8' tall x 6' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 5	Heat Zone: 8

**Vintage Gold Cypress** — *Chamaecyparis pisifera* 'Vintage Gold'

Bright golden, fine textured, feathery foliage that holds its color well and does not fade in the summer or winter. A dwarf, slow growing, mounding evergreen shrub. Year-round interest.

Item # 172079	Mature Size: 2' tall x 2' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 3	Heat Zone: 8

**Weeping Alaska Cypress** — *Chamaecyparis nootkatensis* 'Pendula'

Pyramidal evergreen tree with weeping branches and shredding bark that creates a distinctive appearance; perfect for use as a striking specimen plant. Loves rich, moist soil and is very cold hardy.

Item # 171006	Mature Size: 45' tall x 20' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 4	Heat Zone: 7

**CLETHRA**

**Hummingbird Summersweet** — *Clethra alnifolia* 'Hummingbird'

Attracts hummingbirds and butterflies with abundant, bottle-brush-like spikes of sweetly fragrant white flowers. Compact shrub with glossy green summer leaves; bright yellow fall color.

Item # 179030	Mature Size: 3' tall x 3' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 9

**Ruby Spice Summersweet** — *Clethra alnifolia* 'Ruby Spice'

Great for woodland landscapes, this cultivar displays spikes of fragrant, deep pink flowers. A vigorous, hardy shrub with dark blue-green foliage that turns golden yellow in fall.

Item # 179068	Mature Size: 5' tall x 5' wide	Exposure: Sun	Bloom Color: Pink flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 9

**Sixteen Candles Summersweet** — *Clethra alnifolia* 'Sixteen Candles'

With flowers that look like candles on a birthday cake, white flower spikes stand up above the foliage. A vigorous, hardy shrub with dark blue-green foliage that turns golden yellow in fall. Honey scented - butterflies flock to it.

Item # 179069	Mature Size: 3-5' tall x 3-4' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 9

# CORNUS

## Bailey's Red-osier Dogwood — *Cornus stolonifera* 'Bailey'

Clusters of small white flowers are followed by porcelain-blue berries that attracts birds. Lush green foliage turns reddish-purple in fall. Prune branches to the ground in early spring to promote new growth and refresh red color.

Item # 223505	Mature Size: 6' tall x 6' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 2	Heat Zone: 8

## Bud's Yellow Dogwood — *Cornus alba* 'Bud's Yellow'

In fall the clean green summer foliage turns yellow and the stems begin to turn bright yellow for the winter. In early summer clusters of white flowers appear; whitish berries follow.

Item # 220004	Mature Size: 7' tall x 5' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 8

## Celestial® Dogwood — *Cornus x* 'Rutdan'

PP #7,204 - With a distinct vase-shaped habit, it bears white bracts (flowers) with a hint of green color that have a rounded flower shape with a minor point at their tips. It has shown a high resistance to powdery mildew.

Item # 222005	Mature Size: 30' tall x 20' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 5	Heat Zone: 8

## Constellation® Dogwood — *Cornus x* 'Rutcan'

PP #7,210 - Vigorous, low-branching ornamental tree with abundant white flower bracts in spring. Red fruit and reddish-purple foliage in fall extend season of interest. Good lawn tree. Attracts birds.

Item # 222007	Mature Size: 20' tall x 20' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 5	Heat Zone: 9

## Heart Throb® Dogwood — *Cornus kousa* 'Schmred'

PP #9,283 - Deep pink bracts (flowers) that are almost red, open in late spring and last as long as 6 - 8 weeks. Red fruits that follow the flowers provide nourishment for birds add multi-seasonal interest. Deep green foliage is dark red in the fall.

Item # 222029	Mature Size: 18-20' tall x 16-18' wide	Exposure: Sun	Bloom Color: Pink flowers
	Bloom Time: Late Spring-early Summer	Hardiness Zone: 5	Heat Zone: 8

## Ivory Halo® Variegated Dogwood — *Cornus alba* 'Bailhalo'

PP #8,722 - This compact, well-branched dogwood has variegated green and white foliage. Year-round interest with colorful fall foliage and bright red twigs in winter.

Item # 220033	Mature Size: 5' tall x 5' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 8

## Kelsey's Dwarf Red Twig Dogwood — *Cornus sericea* 'Kelseyi'

The showy cherry-red stems in a dwarf form that is stunning when planted in a mass. The compact habit forms a neat dense mound and is well suited for smaller growing sites. Dense stems provide good nesting sites for birds and protective cover for wildlife. A host plant for butterflies; the berries are a food source for birds.

Item # 223538	Mature Size: 2' tall x 2' wide	Exposure: Sun	Bloom Color: White Flat-top Flowers
	Bloom Time: Late Spring	Hardiness Zone: 3	Heat Zone: 8

## Red Gnome™ Dogwood — *Cornus alba* 'Regnzam'

Very finely branched shrub with green foliage held on vivid, deep red twigs. Low mounded form is effective in mass plantings. Provides year-round interest to areas with limited space.

Item # 220071	Mature Size: 4' tall x 6' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Late Spring	Hardiness Zone: 3	Heat Zone: 8

## Samaritan™ Dogwood — *Cornus kousa* 'Samzam'

Variegated foliage with green centers and creamy-white edges take on a pink color late in the summer. Large white flowers with pointed petals produce strawberry-like fruits. A very attractive street tree or focal point.

Item # 222071	Mature Size: 25' tall x 20' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Early summer	Hardiness Zone: 4	Heat Zone: 8

Heart Throb® Dogwood

Ivory Halo® Variegated Dogwood

Satomi Dogwood

**Satomi Dogwood** — *Cornus kousa* 'Satomi'

Showy specimen tree displays flower heads of large pink to red bracts in early summer, later than other dogwoods. Oval, glossy green leaves turn bright red-purple in autumn.

Item # 222068	Mature Size: 20' tall x 15' wide	Exposure: Sun	Bloom Color: Pink-red flowers
	Bloom Time: Early summer	Hardiness Zone: 5	Heat Zone: 8

**Silver & Gold Yellow Twig Dogwood** — *Cornus sericea* 'Silver and Gold'

A yellow twig dogwood with vibrant yellow stems and leaves that have green centers with silvery-white margins. Bluish-white fruits are nutritious snacks for birds. Effective when grown in a mass or with Red Twig Dogwoods. Helpful use for erosion control.

Item # 223569	Mature Size: 5-7' tall by 6-8' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 3	Heat Zone: 8

**Variegated Red Twig Dogwood** — *Cornus alba* 'Argenteo-marginata'

The variegated foliage has green centers with creamy white margins. White flowers in spring produce bluish-white drupes that attract birds. Carmine-red stems add winter interest.

Item # 220015	Mature Size: 8' tall x 6' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 8

**Venus® Dogwood** — *Cornus x* 'KN30—8'

PP #16,309 - With outstanding resistance to disease and mildew, Venus® has huge 6-inch white flowers. Tolerant to drought, heat and cold it will flourish in full to part sun. Foliage color in the fall is orange.

Item # 222080	Mature Size: 20-25' tall x 25' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 5	Heat Zone: 8

**Yellow Twig Dogwood** — *Cornus sericea* 'Flaviramea'

Bright green foliage and white summer flowers are followed by white drupes that birds consume at the end of summer. The yellow branches add winter interest, provide nesting sites for birds and protective cover for wildlife.

Item # 223533	Mature Size: 8' tall x 10' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 8

Golden Spirit™ Smokebush

**CORYLUS**

**Harry Lauder's Walking Stick** — *Corylus avellana* 'Contorta'

Deciduous shrub famous for its twisted stems. This is a natural specimen plant that is even more effective in winter. Mature plants bear little dangling flower structures in spring.

Item # 228010	Mature Size: 8' tall x 10' wide	Exposure: Sun	Bloom Color: Grown for its stems
	Bloom Time: Early spring	Hardiness Zone: 4	Heat Zone: 8

**COTINUS**

**Golden Spirit™ Smokebush** — *Cotinus coggygria* 'Ancot'

PP #13,082 - Golden-green summer foliage is followed by shades of coral, red and orange. Leaf color is best and will not scorch in full sun. Tolerates rocky soil. Annual pruning will control shape and enhance color.

Item # 229525	Mature Size: 8-10' tall x 8-10' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 4	Heat Zone: 8

**Grace Smokebush** — *Cotinus coggygria* 'Grace'

New growth emerges as wine red before maturing to a deep purple. Pink florets billow in summer giving the appearance of smoke. Summer foliage is purple followed by autumn color that is reddish-orange. Good resistance to diseases.

Item # 229526	Mature Size: 10-15' tall x 10-15' wide	Exposure: Sun	Bloom Color: Pink plumes
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 9

**Royal Purple Smokebush** — *Cotinus coggygria* 'Royal Purple'

Deep purple foliage with puffs of pinkish-purple blooms. Foliage takes on a scarlet color in the fall. Very dramatic appearance.

Item # 229572	Mature Size: 12' tall x 12-15' wide	Exposure: Sun	Bloom Color: Pinkish-purple plumes
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 8

**COTONEASTER**

**Cranberry Cotoneaster** — *Cotoneaster apiculatus*

Low spreading habit with small dark glossy green leaves. Small white flowers followed by red berries in fall. Tolerant of a wide range of cultural conditions and prevents soil erosion.

Item # 231510	Mature Size: 3' tall x 6' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Late Spring	Hardiness Zone: 4	Heat Zone: 7

### Creeping Cotoneaster — *Cotoneaster adpressus* var. *praecox*

Semi-prostrate deciduous shrub with small green leaves that show brilliant red fall color. Small pinkish-white flowers are followed by profuse red berries from summer to fall. Excellent for soil erosion control.

Item # 231060	Mature Size: 3' tall x 6' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Late Spring	Hardiness Zone: 4	Heat Zone: 9

### Tom Thumb Cotoneaster — *Cotoneaster adpressus* 'Tom Thumb'

This selection is very refined. It has a spreading habit with deep green foliage with good fall color. It is a slow grower and is very attractive in a rock garden, grown down a slope, as a ground cover or for preventing soil erosion. Often produces deep red berries in late summer.

Item # 231573	Mature Size: 12-18" tall x 24-48" wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Late Spring	Hardiness Zone: 4	Heat Zone: 7

## CRYPTOMERIA

### Black Dragon Japanese Cedar — *Cryptomeria japonica* 'Black Dragon'

A picturesque, pyramid-shaped, evergreen shrub with dense, dark green needles and an abundance of tiny cones. Excellent for a focal point or as an accent, the lush habit is stunning year round.

Item # 248006	Mature Size: 10' tall x 6' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 5	Heat Zone: 9

### Dwarf Globe Japanese Cedar — *Cryptomeria japonica* 'Globosa Nana'

Low growing, rounded evergreen shrub with thick, dark green needles that fade to blue-green in winter. Good informal hedge, border or accent plant. Low maintenance; requires no pruning.

Item # 248048	Mature Size: 3' tall x 3' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 5	Heat Zone: 9

## CYTISUS

### Burkwoodi Broom — *Cytisus scoparius* 'Burkwoodi'

Bushy, vigorous plants with green stems flower profusely in spring. Blooms are ruby with golden highlights. Tolerates poor soil and sun and needs little care. Green stems add winter interest.

Item # 259707	Mature Size: 6' tall x 6' wide	Exposure: Sun	Bloom Color: Reddish flowers
	Bloom Time: Spring	Hardiness Zone: 6	Heat Zone: 8

### Lena Broom — *Cytisus* x 'Lena'

Compact flowering shrub with green stems and semi-evergreen foliage. Bears fragrant yellow and ruby red blooms in spring. Grows in upright clumps.

Item # 259542	Mature Size: 4' tall x 4' wide	Exposure: Sun	Bloom Color: Yellow & red flowers
	Bloom Time: Spring	Hardiness Zone: 5	Heat Zone: 8

### Lilac Time Broom — *Cytisus scoparius* 'Lilac Time'

Fragrant reddish-purple flowers cover the slender green stems in spring. The stems add winter interest. Thrives in infertile soil and sun. Excellent for erosion control.

Item # 259742	Mature Size: 4' tall x 4' wide	Exposure: Sun	Bloom Color: Reddish-purple flowers
	Bloom Time: Spring	Hardiness Zone: 5	Heat Zone: 8

### Moonlight Broom — *Cytisus scoparius* 'Moonlight'

Bushy green-stemmed plants flower profusely in spring with pale yellow blooms. Tolerates poor soil and sun and needs little care. Green stems add winter interest.

Item # 259747	Mature Size: 6' tall x 6' wide	Exposure: Sun	Bloom Color: Yellowish-white flowers
	Bloom Time: Spring	Hardiness Zone: 5	Heat Zone: 8

## DEUTZIA

### Nikko Slender Deutzia — *Deutzia gracilis* 'Nikko'

A small deciduous shrub with upright clusters of pure white flowers. Foliage has attractive fall colors.

Item # 265551	Mature Size: 1-2' tall x 3-4' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 5	Heat Zone: 8

### Spring Sensation™ Deutzia — *Deutzia* 'Kolmaspri'

Novalis Plants that Work® PPAF - Arching branches are graced from the base to tip with a profusion of white flowers. Stunning when branches can arch over a stonewall or in a mixed border. Very graceful and carefree, the branches are lovely in a flower arrangement.

Item # 265570	Mature Size: 4-5' tall x 4-5' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 5	Heat Zone: 9

Burkwoodi Broom

Spring Sensation™ Deutzia

Cool Splash™ Diervilla

## DIERVILLA

### Cool Splash™ Diervilla — *Diervilla sessilifolia* 'LPDC Podaras'

Novalis Plants that Work® PP #19,391 - Clusters of yellow flowers and bright variegated green and white foliage create attractive dense foliage that offers protective coverage for nesting birds in a woodland setting. A deciduous shrub that colonizes over time and is excellent for erosion prevention.

Item # 272510	Mature Size: 2-3' tall x 3' wide	Exposure: Part Shade	Bloom Color: Yellow flowers
	Bloom Time: Early Summer	Hardiness Zone: 4	Heat Zone: 8

## EUONYMUS

### Dwarf Burning Bush — *Euonymus alatus* 'Compactus'

Rounded deciduous shrub with dark green leaves turning brilliant red in fall. Excellent accent, shrub border or foundation plant. An adaptable shrub that tolerates a wide range of conditions. Useful for slope stabilization and erosion control.

Item # 314015	Mature Size: 10' tall x 10' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 4	Heat Zone: 9

### Emerald Surprise Euonymus — *Euonymus fortunei* 'Corlutz'

A fast growing evergreen shrub with glossy green, gold and cream variegated foliage. A low growing, broadly spreading shrub.

Item # 314521	Mature Size: 2' tall x 5' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 9

### Moonshadow Euonymus — *Euonymus fortunei* 'Moonshadow'

PP #6,127 - Wavy leaves with thin green edges and light yellow centers. A mounding, compact evergreen shrub; good informal hedge or filler for shrub borders. Combines well with darker-leaved evergreens.

Item # 314550	Mature Size: 3' tall x 5' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: Colorful Spring-Fall	Hardiness Zone: 5	Heat Zone: 9

Emerald Surprise Euonymus

## FAGUS

### European Beech — *Fagus sylvatica*

Smooth gray bark that develops wrinkles resembling an elephant's hide as it ages. A grand specimen that develops into an oval shape as it matures with branching low to the ground. Beautiful copper colored foliage and small three-winged nuts in the fall.

Item # 323026	Mature Size: 50-60' tall x 50' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 4	Heat Zone: 7

## FORSYTHIA

### Gold Tide® Forsythia — *Forsythia* x 'Courtasol'

PP #9,104 - Profuse lemon yellow blooms in early spring. Well-branched, dwarf, spreading habit; can be used as a ground cover or in borders. Best flower production in full sun.

Item # 342525	Mature Size: 2' tall x 4' wide	Exposure: Sun	Bloom Color: Yellow flowers
	Bloom Time: Spring	Hardiness Zone: 5	Heat Zone: 9

### Kumson Forsythia — *Forsythia viridissima* koreana 'Kumson'

Unique silver-veined and deep green foliage along with bright yellow blooms in spring make this a season long spectacle. Dark purple branches are displayed when the leaves fall off for the winter. More tolerant of some shade than other varieties.

Item # 345840	Mature Size: 6' tall x 5' wide	Exposure: Sun	Bloom Color: Yellow flowers
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 9

### Meadowlark Forsythia — *Forsythia* x 'Meadowlark'

Brilliant yellow flowers in early spring. Hardest of all forsythias with bud set at extremely cold temperatures. Fast growing with a semi-arching habit. Best flowering if planted in full sun.

Item # 342547	Mature Size: 8' tall x 10' wide	Exposure: Sun	Bloom Color: Yellow flowers
	Bloom Time: Spring	Hardiness Zone: 3	Heat Zone: 9

### Weeping Forsythia — *Forsythia suspensa* sieboldii

Fountain-like branches of bright yellow flowers in early spring. Good selection for erosion control and along slopes where it displays its pendulous branches. Effective as an informal hedge.

Item # 345080	Mature Size: 8' tall x 12' wide	Exposure: Sun	Bloom Color: Yellow flowers
	Bloom Time: Spring	Hardiness Zone: 5	Heat Zone: 8

# FOTHERGILLA

## Blue Shadow Witch Alder — *Fothergilla major* 'Blue Shadow'

PP #15,490 - Honey scented white flowers at the tips of branches filled with icy bluish-green leaves. Stunning fall colors of red, orange and yellow that lasts for weeks. Unique color that combines well in a mixed border.

Item # 324104	Mature Size: 3-5' tall x 4-5' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 9

## Mt. Airy Witch Alder — *Fothergilla major* 'Mount Airy'

Spikes of white, honey-scented, bottle-brush-like flowers in spring. Lush green summer foliage turns shades of yellow and orange in fall. An attractive, multi-seasonal woodland selection.

Item # 324047	Mature Size: 5' tall x 5' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 9

## Suzanne Witch Alder — *Fothergilla gardenii* 'Suzanne'

A compact cultivar with sweet honey-scented white flowers and dark green summer foliage. Fall colors are red, orange and yellow and add multi-seasonal interest.

Item # 324071	Mature Size: 4' tall x 4' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 9

# GINKGO

## Princeton Sentry® Maidenhair — *Ginkgo biloba* 'PNI 2720'

A fruitless cultivar that is pest free. Chartreuse, fan shaped leaves that flutter in the breeze turn flaxen yellow in the fall. It has a narrow columnar form.

Item # 374061	Mature Size: 40-50' tall x 20-25' wide	Exposure: Sun	Bloom Color: Catkins
	Bloom Time: Grown for its foliage	Hardiness Zone: 3	Heat Zone: 9

## Saratoga Maidenhair — *Ginkgo biloba* 'Saratoga'

Slow growing, densely branched, rounded deciduous tree. Unique, split, fan-shaped leaves turn brilliant yellow in fall. Excellent shade tree. Non-fruiting.

Item # 374069	Mature Size: 40' tall x 30' wide	Exposure: Sun	Bloom Color: Yellow catkins
	Bloom Time: Grown for its foliage	Hardiness Zone: 4	Heat Zone: 9

# HAMAMELIS

## Spring Witch Hazel — *Hamamelis vernalis*

Early-flowering, large deciduous shrub with rounded clusters of fragrant, red and yellow flowers in late winter to early spring. Lovely golden-yellow fall foliage. Ideal for naturalized gardens or an informal screen.

Item # 409200	Mature Size: 15' tall x 15' wide	Exposure: Sun	Bloom Color: Yellow flowers
	Bloom Time: Late winter	Hardiness Zone: 4	Heat Zone: 7

## Common Witch Hazel — *Hamamelis virginiana*

Small multi-stemmed tree or large shrub with gray-brown bark and yellow fall foliage. Known for its show of spidery, yellow, fragrant flowers in autumn. Seed capsules from the flowers provide food for birds and branching habit provides nesting sites.

Item # 409500	Mature Size: 25' tall x 20' wide	Exposure: Sun	Bloom Color: Yellow flowers
	Bloom Time: Fall	Hardiness Zone: 4	Heat Zone: 7

# HIBISCUS

## Blue Chiffon™ Rose of Sharon — *Hibiscus syriacus* 'Notwoodthree'

Proven Winners® Color Choice® PPAF - Lavender-blue ruffled petals with lacy centers give this flower a semi-double appearance. The outer petals are highlighted with wine-red veining. It adds late summer color that attracts butterflies and is stunning as a foundation plant.

Item # 430521	Mature Size: 12' tall x 10' wide	Exposure: Sun	Bloom Color: Blue flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

## Blue Satin® Rose of Sharon — *Hibiscus syriacus* 'Marina'

Proven Winners® Color Choice® PP #12,680 - Strong growing deciduous shrub with rich blue petals, wine-red centers and an off-white stamen. A very tropical appearance for late summer color that attracts butterflies.

Item # 430520	Mature Size: 8-12' tall x 5' wide	Exposure: Sun	Bloom Color: Lavender flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

Spring Witch Hazel

Blue Satin® Rose of Sharon

**Violet Satin® Rose of Sharon**

**Blush Satin® Rose of Sharon** — *Hibiscus syriacus* 'Mathilde'

Proven Winners® Color Choice® PP #12,660 - A vertical flowering shrub that produces soft pink flowers with a striking red eye. Very adaptable, it is easily adaptable and will produce lovely flowers from mid to late summer.

Item # 430522	Mature Size: 8-12' tall x 5' wide	Exposure: Sun	Bloom Color: Blush-Pink flowers
	Bloom Time: Mid to Late Summer	Hardiness Zone: 5	Heat Zone: 9

**Lil' Kim™ Rose of Sharon** — *Hibiscus syriacus* 'Antong Two'

Proven Winners® Color Choice® PP #19,547 - Dainty pure white flowers with a prominent red eye are highlighted against dark green leaves. Each bloom lasts for three days before falling instead of the typical one day. It's petite size may be considered for a container, low border or in a mixed bed with perennials.

Item # 430540	Mature Size: 3-4' tall x 3-4' wide	Exposure: Sun	Bloom Color: White Flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 8

**Rose Satin® Rose of Sharon** — *Hibiscus syriacus* 'Minrosa'

Proven Winners® Color Choice® - Stunning pink, anemone-like flowers with ruffle-edged petals and prominent red centers. Late summer tropical color from July to September. Heat and drought tolerant with low maintenance

Item # 430564	Mature Size: 8' tall x 6' wide	Exposure: Sun	Bloom Color: Pink flowers
	Bloom Time: Late Summer	Hardiness Zone: 5	Heat Zone: 9

**Sugar Tip™ Rose of Sharon** — *Hibiscus syriacus* 'America Irene Scott'

Proven Winners® Color Choice® PPAF - Showy, double-pink flowers and variegated creamy-white edged blue-green foliage. A mid-late summer bloomer tolerant of summer heat and humidity. Adapts to a wide range of growing conditions.

Item # 430573	Mature Size: 8-10' tall x 6' wide	Exposure: Sun	Bloom Color: Double pink flowers
	Bloom Time: Mid-Summer	Hardiness Zone: 5	Heat Zone: 9

**Violet Satin® Rose of Sharon** — *Hibiscus syriacus* 'Floru'

Proven Winners® Color Choice® PP #12,196 - Violet-red petals with a deep red eye and a yellow-white stamen. Dramatic late summer color with plentiful flowers, it adds a tropical flair to the landscape. Butterflies seek the late season nectar source.

Item # 430582	Mature Size: 8-12' tall x 5' wide	Exposure: Sun	Bloom Color: Lavender flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

**White Chiffon™ Rose of Sharon** — *Hibiscus syriacus* 'Notwoodtwo'

Proven Winners® Color Choice® PP #12,612 - Large, single white flowers adorned with a lacy center that creates an anemone-like bloom. Late summer splash of colors when other colors start to fade. Adapts to a wide range of conditions.

Item # 430583	Mature Size: 15' tall x 10' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

**Bella Anna™ Endless Summer® Hydrangea**

## HYDRANGEA (arborescens)

**Annabelle Smooth Hydrangea** — *Hydrangea arborescens* 'Annabelle'

Large, snowball-like, white flowers in summer against a background of dark green leaves. Very dependable bloomer that is fast growing. Good cut or dried flowers. Tolerates light shade.

Item # 462325	Mature Size: 3' tall x 5' wide	Exposure: Part Shade	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 9

**Bella Anna™ Endless Summer® Hydrangea** —

*Hydrangea arborescens* 'PIIHA—l'

Endless Summer® PPAF - A mophead type hydrangea with dark green foliage and rich magenta-pink inflorescences. Near continuous bloom from Summer to Fall with pink flowers on strong stems that support the abundance of flowers.

Item # 462305	Mature Size: 3-5' tall x 3-5' wide	Exposure: Part Shade	Bloom Color: Magenta-pink flowers
	Bloom Time: Summer to Fall	Hardiness Zone: 3	Heat Zone: 8

**Incredibal™ Smooth Hydrangea** — *Hydrangea arborescens* 'Abetwo' 

Proven Winners® Color Choice® PPAF - Sturdy stems hold up massive flower heads that emerge as lime green and mature to white. Pruning back in late winter will encourage strong stems and flowers. Beautiful shrub border or foundation plant.

Item # 462332	Mature Size: 4-5' tall x 4-5' wide	Exposure: Part Shade	Bloom Color: White flowers
	Bloom Time: Summer - Fall	Hardiness Zone: 3	Heat Zone: 9

## Invincibelle™ Spirit Smooth Hydrangea —

Hydrangea arborescens 'NCHA1'

Proven Winners® Color Choice® PPAF - Huge hot pink flowers that stay pink and color is not affected by soil pH. Blooms on new growth and tolerates cold winters or being cutback. Proven Winners will donate \$1.00 from the purchase of each plant to The Breast Cancer Research Foundation®

Item # 462333    Mature Size: 3-4' tall x 3-4' wide    Exposure: Part Shade    Bloom Color: Pink flowers  
Bloom Time: Summer - Fall    Hardiness Zone: 3    Heat Zone: 9

## HYDRANGEA (macrophylla)

### Big Daddy Mophead Hydrangea — Hydrangea macrophylla 'Big Daddy'

PP #14,527 - Huge, 12-14" blue/pink flower-heads on sturdy stems from early summer through fall. Thick, glossy, green leaves. Great for cutting; use in fresh or dried arrangements.

Item # 462619    Mature Size: 5' tall x 6' wide    Exposure: Part Shade    Bloom Color: Pink/Blue flowers  
Bloom Time: Summer    Hardiness Zone: 5    Heat Zone: 9

### Bits of Lace™ Hydrangea — Hydrangea macrophylla 'Bits of Lace'

Pink florets in both acidic and limey soil. Blooms on old and new wood against deep green, contrasting foliage. Tolerates poor soil; loves being near the shore and tolerates sun.

Item # 462692    Mature Size: 5' tall x 5' wide    Exposure: Part Shade    Bloom Color: Pink flowers  
Bloom Time: Summer    Hardiness Zone: 5    Heat Zone: 9

### Blue Cassel™ Hydrangea — Hydrangea macrophylla 'Blue Cassel'

A beautiful blue lace-cap cultivar that is a repeat bloomer. Will bloom on old and new wood and adds attractive summer color to the landscape. A lovely understory shrub or ideal with perennials that enjoy a shaded planting site.

Item # 462600    Mature Size: 4-5' tall x 4-5' wide    Exposure: Part Shade    Bloom Color: Blue flowers  
Bloom Time: Summer    Hardiness Zone: 5    Heat Zone: 9

### Blushing Bride Endless Summer® Hydrangea —

Hydrangea macrophylla 'Blushing Bride'

Endless Summer® PP #17,169 - Semi-double, pure white petals mature with a pink or blue blush. Bright white flowers bloom on old and new wood and will brighten up semi-shaded garden spots all season long.

Item # 462689    Mature Size: 4' tall x 6' wide    Exposure: Part Shade    Bloom Color: White flowers  
Bloom Time: Summer    Hardiness Zone: 5    Heat Zone: 9

### Color Fantasy Mophead Hydrangea — Hydrangea macrophylla 'Color Fantasy'

Novalis Plants that Work® - Color sensation is a jewel in the landscape with red mophead flowers atop dark green foliage. Its compact habit seldom reaching 36" tall so it's a great fit for smaller areas. In late summer, the leaves turn a strong shade of red.

Item # 462694    Mature Size: 3' tall x 3' wide    Exposure: Part Shade    Bloom Color: Pink flowers  
Bloom Time: Summer    Hardiness Zone: 5    Heat Zone: 9

### Hanabi Hydrangea — Hydrangea macrophylla 'Hanabi'

Brilliant white, multi-petaled, lacecap flower clusters with pink or blue blushed inner petals. Emerald green foliage adds spectacular contrast. Effective mixed into shrub borders.

Item # 462628    Mature Size: 5' tall x 4' wide    Exposure: Part Shade    Bloom Color: White flowers  
Bloom Time: Summer    Hardiness Zone: 5    Heat Zone: 10

### Lemon Daddy™ Hydrangea — Hydrangea macrophylla 'Lemon Daddy'

PP #17,660 - Huge, 12-14" clusters of blue or pink flowers backed by contrasting, chartreuse to lemon-yellow foliage. Blooms summer to fall on old and new wood. Leaves hold their bright color throughout the season.

Item # 462624    Mature Size: 4' tall x 4' wide    Exposure: Part Shade    Bloom Color: Pink/Blue flowers  
Bloom Time: Summer    Hardiness Zone: 5    Heat Zone: 9

### Nikko Blue Mophead Hydrangea — Hydrangea macrophylla 'Nikko Blue'

Prolific mid-summer mophead flower clusters range from blue in acid soil to pink in alkaline soil. Great for cutting; use in fresh or dried arrangements. Effective mixed into shrub borders.

Item # 462651    Mature Size: 6' tall x 6' wide    Exposure: Part Shade    Bloom Color: Blue flowers  
Bloom Time: Summer    Hardiness Zone: 6    Heat Zone: 9

### Penny Mac Mophead Hydrangea — Hydrangea macrophylla 'Penny Mac'

A mophead with 7-inch clusters of deep blue to violet flowers that begin in summer with a second round of blooms in late summer to early fall. Color will range from deep blue to violet-pink, depending on pH of soil. Flowers can be dried for indoor use.

Item # 462657    Mature Size: 5' tall x 4' wide    Exposure: Part Shade    Bloom Color: Blue/Pink flowers  
Bloom Time: Summer    Hardiness Zone: 5    Heat Zone: 9

Color Fantasy Mophead Hydrangea

Penny Mac Mophead Hydrangea

Twist-n-Shout™ Endless Summer® Hydrangea

Limelight® Panicle Hydrangea

### The Original Endless Summer® Hydrangea —

*Hydrangea macrophylla* 'Bailmer'

Endless Summer® PP #15,298 - Profuse, 8-10" flower clusters that are blue to pink in color on both old and new wood extending the season into the fall. A vigorous, cold-hardy and heat-tolerant selection.

Item # 462622	Mature Size: 3' tall x 5' wide	Exposure: Part Shade	Bloom Color: Pink/Blue flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 8

### Twist-n-Shout™ Endless Summer® Hydrangea —

*Hydrangea macrophylla* 'PIIHM—l'

Endless Summer® PPAF - Lush and lively pink or periwinkle lacecap blooms on both old and new growth. Sturdy red stems and glossy deep green leaves turn a stunning red-burgundy in fall.

Item # 462676	Mature Size: 4' tall x 4' wide	Exposure: Part Shade	Bloom Color: Pink/Periwinkle flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 9

### Variegated Hydrangea — *Hydrangea macrophylla* 'Variegata'

Spectacular accent shrub with bold foliage edged pure white. Produces blue or mauve lacecap type flowers in summer contrasting beautifully with the foliage. Great in the shrub border or as an accent.

Item # 462670	Mature Size: 6' tall x 6' wide	Exposure: Part Shade	Bloom Color: Mauve or blue
	Bloom Time: Summer	Hardiness Zone: 6	Heat Zone: 9

## HYDRANGEA (*paniculata*)

### Bombshell Panicle Hydrangea — *Hydrangea paniculata* 'Bombshell'

PPAF - A petite form that is well branched producing an abundance of flowers that are just about non-stop from Summer to Fall. The tidy habit is covered with white flowers and backed by green foliage. Little if any pruning is required to maintain its elegant shape.

Item # 462709	Mature Size: 3' tall x 3-4' wide	Exposure: Sun	Bloom Color: White Flowers
	Bloom Time: Summer	Hardiness Zone: 3	Heat Zone: 9

### Limelight® Panicle Hydrangea — *Hydrangea paniculata* 'Zwijnenburg'

Proven Winners® Color Choice® PP #12,874 - Limelight has unique bright green flowers in mid-summer. The bright, refreshing color holds right into autumn when the blooms fade to deep pink. Soil pH does not affect flower color.

Item # 462741	Mature Size: 8' tall x 8' wide	Exposure: Part Shade	Bloom Color: Green flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 7

### Limelight® Panicle Hydrangea (Tree Form) —

*Hydrangea paniculata* 'Zwijnenburg'

Proven Winners® Color Choice® PP #12,874 - Limelight has white flowers that take on a unique green tone in mid-summer. The bright, refreshing color holds right into autumn when the blooms fade to deep pink. Soil pH does not affect flower color.

Item # 462740	Mature Size: As Trained	Exposure: Part Shade	Bloom Color: Green flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 7

### Phantom Panicle Hydrangea — *Hydrangea paniculata* 'Phantom'

This variety has conical flower heads up to 15" long and are the largest of all panicle hydrangeas. They bloom in mid-summer and begin as creamy-white before blushing soft pink as the summer progresses. Heavy bloomer with flowers that do not flop.

Item # 462752	Mature Size: 6-8' tall x 6-8' wide	Exposure: Part Shade	Bloom Color: White flowers
	Bloom Time: Mid-Summer	Hardiness Zone: 4	Heat Zone: 8

### Phantom Panicle Hydrangea (Tree Form) —

*Hydrangea paniculata* 'Phantom'

This variety has conical flower heads up to 15" long and are the largest of all panicle hydrangeas. They bloom in mid-summer and begin as creamy-white before blushing soft pink as the summer progresses. Heavy bloomer with flowers that do not flop.

Item # 462753	Mature Size: As Trained	Exposure: Part Shade	Bloom Color: White flowers
	Bloom Time: Mid-Summer	Hardiness Zone: 4	Heat Zone: 8

### Pink Diamond Panicle Hydrangea (Tree Form) —

*Hydrangea paniculata* 'Pink Diamond'

Large panicles with profuse pink buds opening to a mass of white florets that darken to a deep rose as they mature. Great for cutting; use in fresh or dried arrangements. Styled in a tree form, flower heads are ideal for drying. Excellent late season color and very hardy.

Item # 462760	Mature Size: As Trained	Exposure: Part Shade	Bloom Color: White, turning pink
	Bloom Time: Summer to Fall	Hardiness Zone: 4	Heat Zone: 8

### **Pinky Winky™ Panicle Hydrangea** — *Hydrangea paniculata* 'DVPinky'

Proven Winners® Color Choice® PP #16,166 - Begins flowering in mid-summer with white flowers that age to pink, creating two-toned flower heads up to 16" long. Extra large flower heads remain effective into autumn.

Item # 462763	Mature Size: 8' tall x 6' wide	Exposure: Part Shade	Bloom Color: White & pink flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 8

### **Quick Fire™ Panicle Hydrangea** — *Hydrangea paniculata* 'Bulk'

Proven Winners® Color Choice® PP #16,812 - Early-blooming selection with clusters of white flowers that turn dark rose-pink before other varieties even begin to bloom. Effective in shrub borders or mass plantings.

Item # 462766	Mature Size: 8' tall x 5' wide	Exposure: Part Shade	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 9

### **Quick Fire™ Panicle Hydrangea (Tree Form)** — *Hydrangea paniculata* 'Bulk'

Proven Winners® Color Choice® PP #16,812 - Early-blooming selection with clusters of white flowers that turn dark rose-pink before other varieties even begin to bloom. Very elegant tree form is stunning in a container.

Item # 462796	Mature Size: As Trained	Exposure: Part Shade	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 9

### **Tickled Pink Panicle Hydrangea** — *Hydrangea paniculata* 'HYPMAD II'

First Editions PP #18,500 - You'll be tickled pink by the extraordinary flowers on this hydrangea. Each bloom is completely covered by the sterile flower petals and each petal recurves giving the blossoms a full, frilly, lacy appearance. The blooms start out white before turning rosy pink.

Item # 462770	Mature Size: 4-5' tall x 5-6' wide	Exposure: Part Shade	Bloom Color: White Flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 9

### **White Diamonds™ Panicle Hydrangea** — *Hydrangea paniculata* 'HYPMAD I'

Novalis Plants that Work® PP #19,082 - Frothy white inflorescences on sturdy stems that hold the flowers upright. A background of lush green leaves accent the flowers that are in bloom from summer to fall. Stunning when used as a foundation plant, in a mass or a mixed border.

Item # 462786	Mature Size: 4-5' tall x 4' wide	Exposure: Part Shade	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 4	Heat Zone: 8

**Quick Fire™ Panicle Hydrangea**

## HYDRANGEA (quercifolia)

### **Alice Oakleaf Hydrangea** — *Hydrangea quercifolia* 'Alice'

Large, arching clusters of pure white flowers in summer fade to mauve-pink with age. An upright, rounded deciduous shrub with oak-like leaves. Bronze to purple fall color.

Item # 463060	Mature Size: 8' tall x 8' wide	Exposure: Part Shade	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

### **Snow Queen Oakleaf Hydrangea** — *Hydrangea quercifolia* 'Snow Queen'

PP #4,458 - White flowers take on a rose pink hue with age. Oak-leaf-shaped foliage starts out deep green and turns reddish-purple in fall. Cinnamon, exfoliating bark adds to its overall beauty.

Item # 463070	Mature Size: 6' tall x 5' wide	Exposure: Part Shade	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

**White Diamonds™ Panicle Hydrangea**

## HYPERICUM

### **Mystical™ Orange St. John's Wort** — *Hypericum* 'Mystical™ Orange' 'KOLMORAN'

Novalis Plants that Work® PP #13,411 - Orange berries follow the flowers filling your garden with extended color into the fall season. Attractive when grown in drifts or as a specimen plant.

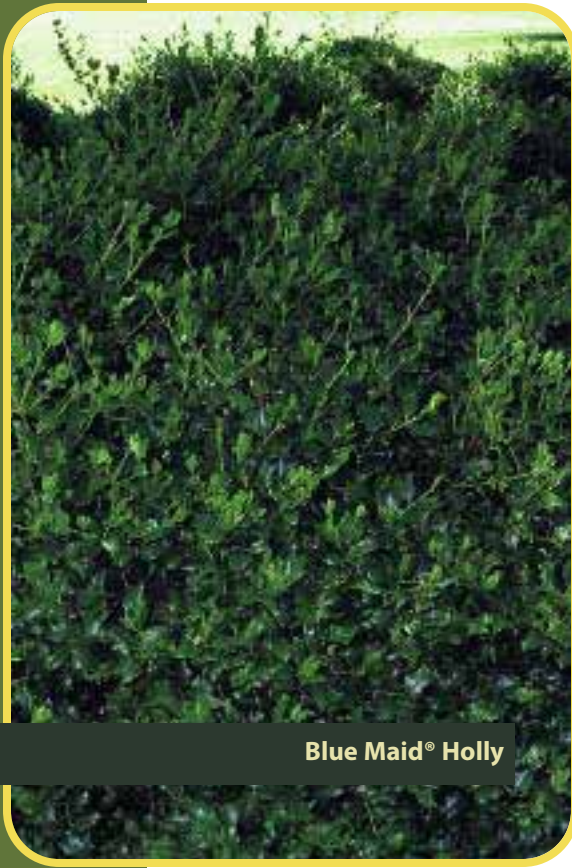

Item # 467647	Mature Size: 30-36" tall x 36" wide	Exposure: Sun	Bloom Color: Yellow flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

## ILEX (meserveae)

### **Blue Baron Holly** — *Ilex x meserveae* 'Blue Baron'

PP #16,151 - A compact, male holly with glossy, dark blue-green leaves that take on a burgundy cast in winter. Excellent hedge or foundation plant. Will pollinate other female Blue Holly.

Item # 478002	Mature Size: 4' tall x 6' wide	Exposure: Sun	Bloom Color: Inconspicuous
	Bloom Time: Colorful All Year	Hardiness Zone: 5	Heat Zone: 9

Blue Maid® Holly

**Blue Maid® Holly** — *Ilex x meserveae* 'Mesid'

PP #4,685 - A female Blue Holly with bright red berries and deep green foliage that has a blue shine. The dense foliage provides a safe haven for birds. Sheer annually to maintain the broad pyramidal shape. Requires pollinizer such as *Ilex* 'Blue Prince' to produce berries.

Item # 478011	Mature Size: 8-10' tall x 8' wide	Exposure: Sun	Bloom Color: Inconspicuous
	Bloom Time: Colorful All Year	Hardiness Zone: 5	Heat Zone: 9

**Blue Prince® Holly** — *Ilex x meserveae* 'Blue Prince'

PP #3,517 - Dark green foliage with a blue cast on bluish-purple stems. An upright evergreen shrub with a broad, semi-pyramidal growth habit. Considered as one of the hardiest of all the meserve hollies. Use as a pollinizer for female blue hollies.

Item # 478013	Mature Size: 8-12' tall x 8' wide	Exposure: Sun	Bloom Color: Inconspicuous
	Bloom Time: Colorful All Year	Hardiness Zone: 4	Heat Zone: 9

**Emerald Magic Holly** — *Ilex x 'Emerald Magic'*

PP #12,314 - A cold-hardy, non-fruiting evergreen with a dense habit and blue-green leaves. Excellent for foundations and low hedges. Naturally grows to a compact, rounded shape.

Item # 477885	Mature Size: 4' tall x 4' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 5	Heat Zone: 9

**ILEX (glabra)**

**Compact Inkberry** — *Ilex glabra* 'Compacta'

Upright, compact branching, evergreen shrub with dark green leaves that turn plum-purple in winter. Black berries (hence the name Inkberry) in fall and winter are a food source for birds. Inkberry is useful for erosion control and watershed protection.

Item # 477525	Mature Size: 4' tall x 6' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 9

**Shamrock Compact Inkberry** — *Ilex glabra* 'Shamrock'

Dwarf, slow growing evergreen shrub with bright green foliage. Tolerates a wide range of growing conditions. Small black berries in the fall are an important food source for birds and Inkberry is excellent for erosion control.

Item # 477569	Mature Size: 3' tall x 4' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 9

**ILEX (verticillata)**

**Berry Nice® Winterberry** — *Ilex verticillata* 'Spriber'

Proven Winners® Color Choice® - Intense red berries that are so vivid, they can be seen at a great distance. A stunning deciduous Native plant tolerant of moist soil. Red berries are a food source for birds. Use 'Jim Dandy' as a pollinator.

Item # 478505	Mature Size: 3-5' tall x 4-8' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 8

**Jim Dandy Winterberry** — *Ilex verticillata* 'Jim Dandy'

An excellent pollinator for female winterberries such as 'Red Sprite' and 'Berry Nice®'. It is a dwarf cultivar with inconspicuous white flowers that does not produce berries. Tolerates wet soils.

Item # 478534	Mature Size: 3-5' tall x 4-8' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 8

**Red Sprite Winterberry** — *Ilex verticillata* 'Red Sprite'

Dwarf deciduous holly with an upright, compact habit. Intense, large red berries persist into winter and have a dramatic effect on the landscape. Berries provide a food source for birds. Use 'Jim Dandy' as a pollinator. (a.k.a. Nana)

Item # 478550	Mature Size: 4' tall x 4' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 4	Heat Zone: 8

**Winter Gold Winterberry** — *Ilex verticillata* 'Winter Gold'

A native deciduous holly with pinkish-orange berries that persist into winter and change to a golden-yellow color. It has an upright habit with dense branching full of berries. A male pollinator is required to produce berries.

Item # 478587	Mature Size: 8' tall x 8' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Late Spring	Hardiness Zone: 4	Heat Zone: 8

**Winter Red Winterberry** — *Ilex verticillata* 'Winter Red'

A deciduous shrub with bright fruits that hold their color throughout the winter (hence the name - winterberry). It is a rounded shrub with deep green leaves that is very attractive in mass. Attracts Bluebirds, Chickadees, Cardinals and other songbirds. Requires pollinator for berries.

Item # 478586	Mature Size: 6-8' tall x 6-8' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Spring	Hardiness Zone: 3	Heat Zone: 9

Red Sprite Winterberry

# ITEA

## Little Henry™ Dwarf Sweetspire — *Itea virginica* 'Sprich'

Proven Winners® Color Choice® PP #10,988 - Fragrant panicles of pure white flowers in early summer that attract butterflies. Green foliage turns fiery red in fall. Dwarf mounding habit. Excellent low hedge or border.

Item # 485242	Mature Size: 2' tall x 4' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

## Merlot Sweetspire — *Itea virginica* 'Merlot'

Fragrant panicles of pure white flowers in early summer. Stunning fall foliage that is bright to deep red. Attracts butterflies and beneficial insects.

Item # 485246	Mature Size: 3-4' tall x 3' wide	Exposure: Sun	Bloom Color: White flowers
	Bloom Time: Summer	Hardiness Zone: 5	Heat Zone: 9

# JUNIPERUS

## Blue Pacific Juniper — *Juniperus conferta* 'Blue Pacific'

Low, spreading ground cover with dense, blue-green foliage that holds its color year-round. More heat tolerant than other selections. Excellent to control erosion on slopes or banks.

Item # 494805	Mature Size: 1' tall x 6' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 4	Heat Zone: 9

## Blue Point Juniper — *Juniperus chinensis* 'Blue Point'

Upright, densely branched evergreen shrub with blue-green foliage. Retains a broad pyramidal form without shearing. Partial shade in south, full sun elsewhere.

Item # 494508	Mature Size: 12' tall x 8' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 4	Heat Zone: 9

## Blue Rug Juniper — *Juniperus horizontalis* 'Wiltonii'

Fast growing, low spreading, evergreen shrub with trailing branches. Silvery blue needles take on a light purple tint in winter. Excellent erosion control or ground cover for dry areas.

Item # 495386	Mature Size: 6" tall x 8' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 3	Heat Zone: 9

## Blue Star Juniper — *Juniperus squamata* 'Blue Star'

Rich blue foliage that intensifies in winter months. Slow grower; semi-upright habit. Develops a star-shaped branching habit with age. Drought tolerant selection with year round interest.

Item # 496305	Mature Size: 3' tall x 3' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 4	Heat Zone: 8

## Compact Andorra Juniper — *Juniperus horizontalis* 'Plumosa Compacta'

Compact evergreen shrub with blue-green foliage that turns a wonderful plum color in fall and winter. Ideal ground cover valued for its adaptability and rapid growth. Tolerates hot, dry locations.

Item # 495305	Mature Size: 2' tall x 7' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 3	Heat Zone: 9

## Compact Pfitzer Juniper — *Juniperus x pfitzeriana* 'Pfitzeriana Compacta'

This bushy, compact spreader with lovely gray-green foliage that creates an attractive ground cover or hedge. Very versatile, it is tolerant of rabbits and deer, drought, heat & humidity, pollution, seashore, slope and wind.

Item # 494560	Mature Size: 12-18" tall x 48-60" wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 3	Heat Zone: 9

## Dwarf Japanese Bonsai Juniper — *Juniperus procumbens* 'Nana' — Bonsai

Pruned to create a "pom-pom" shape, the bluish-green foliage takes on a plum color in the colder months. It will show off its decorative form as a stand-alone container specimen or in a rock garden.

Item # 494571	Mature Size: 30" spread	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 4	Heat Zone: 9

## Dwarf Japanese Garden Juniper — *Juniperus procumbens* 'Nana'

Slow grower with low mounding habit. Sprays of bluish-green foliage that overlap each other change to a plum color in winter. Thrives in adverse conditions; good for rock gardens.

Item # 494572	Mature Size: 1' tall x 6' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 4	Heat Zone: 9

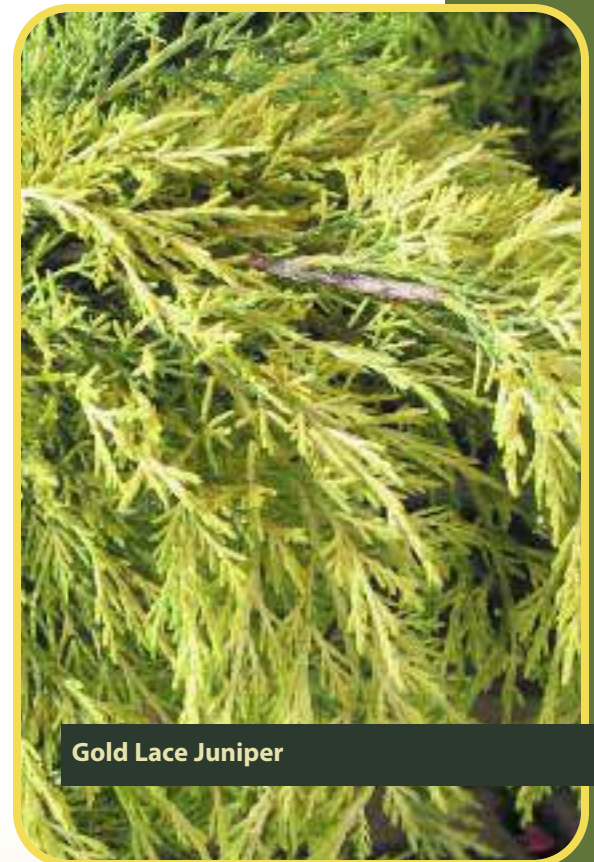

## Gold Lace Juniper — *Juniperus chinensis* 'Gold Lace'

PP #8,202 - Outstanding vibrant gold foliage year-round. Wider than tall with a compact, spreading form. Brighter yellow in summer and equally vibrant in winter. Widely adaptable. Sun to light shade.

Item # 494522	Mature Size: 3' tall x 6' wide	Exposure: Sun	Bloom Color: Grown for its foliage
	Bloom Time: No flowers	Hardiness Zone: 4	Heat Zone: 9

Little Henry™ Dwarf Sweetspire

Gold Lace Juniper

### **Grey Owl Juniper** — *Juniperus virginiana* 'Grey Owl'

Slightly vase-shaped with a wide spreading habit of soft, silvery-gray foliage. Year round interest that blends well with ornamental grasses. Excellent as a tall groundcover or for erosion control on a slope.

Item # 496620

Mature Size: 2-3' tall x 6-8' wide

Exposure: Sun

Bloom Color: Grown for its foliage

Bloom Time: No flowers

Hardiness Zone: 3

Heat Zone: 9

### **Hetzii Columnar Juniper** — *Juniperus chinensis* 'Hetzii Columnaris'

Narrow, columnar evergreen shrub with dense branches clothed in sharply pointed, bright green needles.

Item # 494531

Mature Size: 15' tall x 5' wide

Exposure: Sun

Bloom Color: Grown for its foliage

Bloom Time: No flowers

Hardiness Zone: 4

Heat Zone: 9

### **Sargent's Juniper** — *Juniperus chinensis* var. *sargentii*

Low growing spreader with feathery, medium green foliage. Excellent for erosion control and sites with poor soils. Useful as a ground cover or in rock gardens. Low maintenance.

Item # 494577

Mature Size: 2' tall x 9' wide

Exposure: Sun

Bloom Color: Grown for its foliage

Bloom Time: No flowers

Hardiness Zone: 4

Heat Zone: 9

### **Sea Green Juniper** — *Juniper chinensis* 'Sea Green'

Fountain-like arching branches with mint-green foliage that change to a darker green in the winter months. A low maintenance evergreen that will grow almost anywhere as long as soil is well drained. It has a vase-shaped habit that is a beautiful foundation or border shrub.

Item # 494580

Mature Size: 4-6' tall x 6-8' wide

Exposure: Sun

Bloom Color: Grown for its foliage

Bloom Time: No flowers

Hardiness Zone: 4

Heat Zone: 9
